**Subject:** Exposed: The Cartel Lawyer behind Arizona Fraud

**— MARK —**  
**FINCHEM**  
**— FOR SECRETARY OF STATE —**

Hello Jack,

Why is a cartel lawyer the second most powerful politician in Arizona?

Yes, you read that right.

What do this man, and the Sinaloa Cartel have in common?

Pictured above is 1) Adrian Fontes, and 2) members of the Mexican Sinaloa Cartel.

What do they have in common?

Meet Manuel Celis-Acosta:

According to *The Western Journal*:

*Before Democratic Arizona secretary of state candidate Adrian Fontes was Maricopa County recorder, he was the criminal defense lawyer for a dangerous Phoenix drug dealer, narco-terrorist and firearms trafficking ringleader, Manuel Celis-Acosta.*

*Celis-Acosta sold thousands of guns to the Sinaloa Mexican drug cartel in Barack Obama's "Operation Fast and Furious" scandal, including the gun the cartel used to kill Border Patrol officer Brian Terry.*

Going back to 2011, we can look at another interesting individual, Emilia Palomino-Robles.

According to the DEA website:

*Emilia Palomino-Robles, 42 of Sonora, Mexico, entered a guilty plea on April 13 to one count of Conspiracy to Possess with Intent to Distribute over 500 grams of Methamphetamine for her role as a courier delivering both 2,029 grams of actual pure methamphetamine and \$139,900 to be used as a partial payment for the military-grade weaponry, that was ultimately destined for export and transfer to the Republic of Mexico,*

and a Mexican drug trafficking organization. Her sentencing is set before Judge Teilborg on July 25, 2011.

And again, according to *The Western Journal*:

*In 2011, Fontes defended Emilia Palomina-Robles for her role "in a conspiracy to trade drugs and cash for military-grade weapons — including a Stinger anti-aircraft missile — for use by Sinaloan drug cartels."*

**So why is this cartel lawyer sitting in Arizona's second most powerful office? And why did the Fake News Media cover up his cartel connections?**

Kari Lake War Room  
@KariLakeWarRoom

Why didn't the media vet the Cartel Lawyer?

"In 2011, Fontes defended Emilia "Palomina-Robles for her role "in a conspiracy to trade drugs & cash for military-grade weapons — including a Stinger anti-aircraft missile — for use by Sinaloan drug cartels,"

Op-Ed: Establishment Media Shills for Radical Soros Candidate in Arizona  
Adrian Fontes is a radical Bernie Sanders socialist with a history of lying and deception, and he will do whatever it takes to win.

Something isn't right here. In fact, a historic amount is absolutely wrong.

**We are still fighting the Fraud in Arizona that led to a cartel lawyer getting elected. It runs deep, and the corruption is strong.**
