ABSTRACT

You might call this Part 2 of the last pitch sent out 12-8-2020 titled [“Globalism is the Disease – The Deep State Rats are the Carriers Who Morph Their Shape”](#)

However, I wanted to throw out more interesting material exposing the breadth and depth of globalism to remove any doubt that this theme is a conspiracy and fancy. Many good people cannot wrap their mind around the truth that so much power can possibly be in the hands of so few. Some would call this conspiracy theory a “La La Land”.

[Conspiracy Theory defined by Merriam-Webster](#)

 **a theory that explains an event or set of circumstances as the result of a secret plot by usually powerful conspirators**

However, this ugly silent shadow is moving rapidly across America since as early as 1861. This research includes more ammunition for you to refute anyone who says you live in La La Land when the subject of a top down global to local over control comes up.

In fact, it is easily proven there is a heavy invisible hand controlling everything. You just need to develop your insight to have the sight to see reality, i.e. take the Red Pill ASAP. Or not and stay in the controlled FAKE La La land forever.

This report includes some heavy studies done past and present and some of my personal experiences.

Please feel free to forward this report to others especially young adults whose hands, minds and spirit will ultimately shape what happens to our once free Republic.

We've found ourselves pitted against one another like never before.

Why has the world suddenly become so polarized?

Our beliefs about current events have us fighting against each other. The anonymous intelligence insider known as "Q" says politicians and the media have created a false narrative about current events that conceals corruption from the public. Some choose to trust the media. Others choose not to. And therein lies the root of our struggle.

In this second book of the **Q Chronicles** series, Dave Hayes takes readers on another journey to unlock the truths hidden in the cryptic messages from the Q clearance patriot. As Q's messages are explained, readers are given a behind the scenes glimpse at how events unfold on the world stage.

We'll examine the history of one of the wealthiest families of the modern age and learn how they amassed their fortune. We'll explore the corruption of the Vatican and how secret societies have controlled the destinies of nations. We'll trace the origins of the Federal Reserve and investigate the sinking of the Titanic.

Q's mission is to make the public aware of the truth of history and current events. The awareness of truth will bring about "The Great Awakening"—an era when society will reject the media's deception and see the world as it really is.

As we comprehend the truth, we'll understand that the real battle has never been about conservative versus liberal, black versus white. Those are merely distractions that keep us divided and controlled. The real conflict has always been about good versus evil.

Isn't it time we stopped fighting one another and focused our attention on the real battle—the fight to vanquish the forces of darkness?

3. Rulers Of Evil – Useful Knowledge About Governing Bodies

➤ 352 page report by F. Tupper Saussy

THE ONLY PEOPLE in the world, it seems, who believe in the conspiracy theory of history are those of us who have studied it. While Franklin D. Roosevelt might have exaggerated when he said “Nothing happens in politics by accident; if it happens, it was planned that way,” Carroll Quigley – Bill Clinton’s favorite professor at Georgetown University – boldly admitted in his *Tragedy & Hope* (1966) that (a) the multitudes were already under the control of a small but powerful group bent on world domination and (b) Quigley himself was a part of that group.

Saussy’s thesis: There is indeed a small group that runs the world, but we can’t call it a conspiracy because it identifies itself with signs, mottoes, and monuments.

You ask. *Quick:* what occupies the highest point on the U.S. Capitol building? It’s probably the most *oft-published* statue on earth, and you can’t name it? As long as you don’t know whose feet are firmly planted atop your country’s legislative center, or how she got there, or whence she came, the group that controls America remains invisible. Once you know these things, the fog begins lifting.

Saussy has analyzed hundreds of signatory clues left by the true rulers of the world, clues that we have perhaps been trained to ignore. He’s traced them to their origins, and matched them to facts of history going back six thousand years – all balanced against the most reliable human reference work there is, the Bible. The result: an unavoidable touchstone for all future works on the subject.

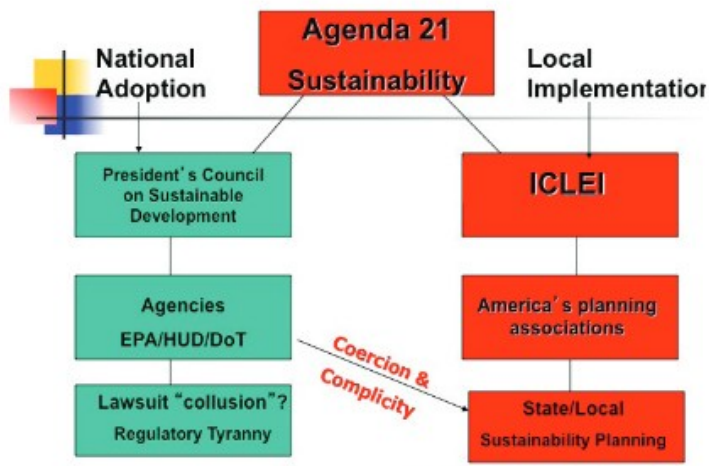

The global to local cabal criminals are far cleverer than all of us and they signal each other with signs we not only cannot see, we refuse to see them when they are pointed out generation after generation. Who would believe this right, they are counting on that.

- Any informed American Patriot knows the UN Agenda is real and infiltrating thousands of municipals.
- [Special Report Agenda 21 And How to Stop It](#) (36 Pages)
- This is a classic example of how global agendas are spread around the world without state citizen consent, constitutional vetting or legislation.

The four part process leading to Sustainable Development

So how is this “wrenching transformation” being put into place? There are four very specific routes being used. In the rural areas it’s called the “Wildlands Project.” In the cities it’s called “Smart Growth.” In business it’s called “Public/Private Partnerships.” And in government it’s called “Stakeholder Councils.”

- I am big on Q and have validated Q is legitimate at least to my engineering mind.
- The John Birch people are also confirming this theme of a military – Trump sting Ops on the global criminal empire but they are traditionally far right.
- Wherever you are on the political scale, it is a good reflective exercise to know exactly where you are as it helps to understand the total perspective, i.e. just because we cannot believe new information is more reason to try.

6. My Personal Experience with Global Control

Experience #1

- I was told by my mother and my uncle that my Grandfather Herbert (lower right corner) wrote heavily about global control. He was born in 1895. He was a college educated man in Agriculture which was unusual at that time and this is where he met the love of his life Ella (lower left corner) who was going through the same school. Grandmother Ella Birum was the youngest nurse to graduate from St. Barnabus Hospital Minneapolis, MN in 1897, training at the age of 16.
- Mother Venrick told me my grandfather shamed the family by writing and publishing about the Global Cabal back in the 1940's and 1950's?
- The bottom line is this shaming and ridicule of good solid Citizens is exactly how the cabal/Deep State Swamp plays their global to local games time immemorial.
- They use lies, denial, and defile to shame everyone who does not believe their propaganda.
- This includes THEIR Mainstream Media, all their paid off politicians, bankers, anyone who blocks their way is taken care of one way or another, think GLOBAL TO LOCAL MAFIA.
- There is ABSOLUTELY a pervasive dark elite force MANIPULATING EVERY MOVE WE MAKE. If you cannot believe you have not done enough homework!
- This dark force goes by many names, i.e. One World Order, New World Order, Globalist, Cabal, etc.

Experience #2 – Out of state people are flowing into Montana from the left coast and probably bringing their ways with them. Pretty soon these people who have run away from THEIR La La land will turn Montana into the same. hell and wonder why and this includes conservatives.

"The Federal Reserve Bank is nothing but a banking fraud and an unlawful crime against civilization. Why? Because they "create" the money made out of nothing, and our Uncle Sap Government issues their "Federal Reserve Notes" and stamps our Government approval with NO obligation whatever from these Federal Reserve Banks, Individual Banks or National Banks, etc."

7. What Should I Do If I See a Crime

Q: What should I do if I see a crime?

Avatar Sathya Sai Baba: "Today many are indulging in actions opposed to Dharma and Truth and, on the basis of their caste or community, are promoting strife and conflict in the country. Elders in the nation are remaining mere spectators of all the unrighteous and violent actions that are being done by the evil elements. Even the scholars and intellectuals are remaining silent. Persons holding high office are merely watching what goes on. No one, however, is making any effort to stop this menace. They are not resisting the evil elements. It appears as if all their knowledge, position and influence have been reduced to nothing. Such persons, though they may not be indulging in

unrighteous acts, are giving encouragement to them.

When evil and injustice and violence are being perpetrated, if individuals look on unconcerned, they must be regarded as accomplices in the crimes. In the end they also suffer as much as the criminals. By their passive association, they provide encouragement to the evil doers.

When the good are associated with the wicked and do not oppose them, they share responsibility for the deeds of the evil doers. The Divine destroys even those who either do not oppose or remain passive while injustice and wrongdoing is perpetrated. The Divine will not consider whether they are learned or ignorant, wise or unwise. If they are learned or wise, why did they not stand up for truth and justice? Why did they remain silent? It means they are tainted by the same guilt. The failure to resist evil is their offence. It is only when we resist acts of unrighteousness and injustice and try to put down malpractices in society that we can claim to be assisting in the task of restoring Dharma. ...

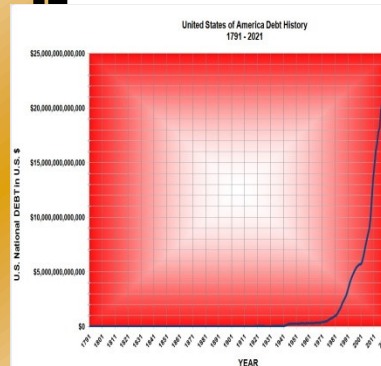

Whoever may commit an offence, whether a son, a relation or a close associate, one will be free from the taint of being accessory to the crime only if he opposes the wrong action and tries to correct the offender. If, on the contrary, he allows it or encourages it to be done, he will be guilty of abatement."

This is where your private property, wages & pensions via Compulsory Tax Taking, Regulations & Usury end up.

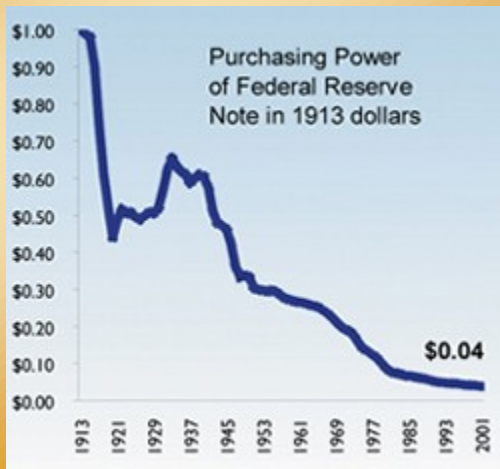

1. From our beginnings, Americans had been left surpluses by each preceding generation of our forefathers all the way back to the first colonists, until sometime after the enactment of The Federal Reserve Act and the Income Tax Act.
2. Except at times of war or revolt, Americans had experienced no significant inflations nor deflations nor stagflations nor other "booms nor busts", such as we have all experienced until sometime after the enactment of The Federal Reserve Act and the Income Tax Act, except those caused by banks.
3. Americans had the highest personal savings in history, and, never had 'National' debts nor deficits, until sometime after the enactment of The Federal Reserve Act and the Income Tax Act.
4. America had full employment and no need of coercive labor, nor unemployment insurance, nor welfare, until sometime after the enactment of The Federal Reserve Act and the Income Tax Act.
5. America, from our beginnings, had a largely virtuous, and Godly population, until after the enactment of The Federal Reserve Act and the Income Tax Act, and, now we suffer gross taxes, litigiousness, crime, etc.
6. America had universities and institutes of higher learning which produced thinkers, scholars, scientists and creative genius of the highest order but, now, most of our colleges are utilitarian job training centers, due to the impoverishment created by the enactment of The Federal Reserve Act and the Income Tax Act.
7. A man and wife could own a home and many children even if modestly creative, he could feed them, clothe them, educate them and pay his way, until sometime after the enactment of The Federal Reserve Act and the Income Tax Act, such that now they must rent and have multiple incomes.
8. Citizens of The United States Of America owned and controlled the voting stock of our major corporations, corporations which were, once the greatest economic engine on Earth and which now are controlled by foreign bank nominees, agents and 'street' form voting stock, as a result of the enactment of The Federal Reserve Act and the Income Tax Act.

9. The Proper Perspective of the Global Take Over of America

Rooting to the source of the problems deep down the rabbit hole one finds America has been going to hell because we have been deceived one generation after another by virtually everyone we have elected, trusted including those who educate us. We are 244 years into this experiment of a "representative & free" Republic and it is neither represented nor free! In truth we have all been enslaved to support this central banking and central government cabal.

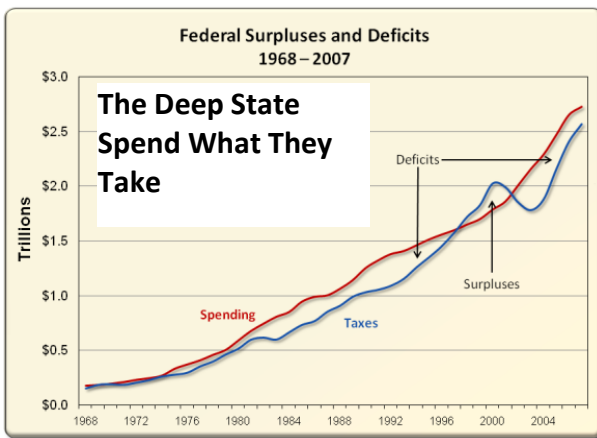

10. If you Want the Truth Listen to the Well Vetted Founding Fathers

“If we run into such debts, as that we must be taxed in our meat and in our drink, in our necessities and our comforts, in our labors and our amusements, for our callings and our creeds, as the people of England are, our people, like them, must come to labor sixteen hours in twenty-four, give the earnings of fifteen of these to the government for their debts and daily expenses, and the sixteenth being insufficient to afford us bread, we must live, as they now do, on oatmeal and potatoes, have no time to think, no means of calling the mismanagers to account; but be glad to obtain subsistence by hiring ourselves to rivet their chains on the necks of our fellow-sufferers.

“And this is the tendency of all human governments. A departure from principle in one instance becomes a precedent for a second, that second for a third, and so on 'til the bulk of the society is reduced to be mere automatons of misery, to have no sensibilities left but for sinning and suffering...

“And the forehorse of this frightful team is public debt. Taxation follows that, and in its train wretchedness and oppression.”

- This table was created by a common muscle testing technique; I use a crystal pendulum on the end of a ribbon.
- To learn more on this technique read this book [The Emotion Code by Dr. Bradley Nelson](#)
- The results of this experiment show that the blue states dominate the highest level of fraud.
- 21 Blue States tested from #1 to #17.
- 9 Red States tested in this range too.
- Only 1 Blue State tested above #17.
- 16 Red States tested above #17.
- 3 Gray states also tested in worst fraud range, yet TBD electoral votes.
- [This map is from Praying Medic site.](#)
- Testing showed President Trump received 84 million legal votes and Biden received 83 million. (Column E & F)
- Testing showed President Trump received 340,000 illegal votes and Biden received 5,400,000 illegal votes.
- These rankings should be interpreted as relative order of magnitude comparison.
- Other people may get different results.
- Before doing these muscle tests you must make the statement you only want to hear the truth not what you want to hear.
- Otherwise these tests will pick up on what you want to hear.

12. Remember the North American Union – Another Attempt To Break America Sovereignty

- Every trick in the global book is used to take American sovereignty down.
- American Stewards successfully fought off this global attempt of a North American Union, see below.
- They found a little known federal law requiring the coordination of any taking with the locals.
- Imagine that! None of these crooks who orchestrated this North American Union went to prison.
- The Deep State has infiltrated the CIA, FBI, DOJ, MEDIA, IRS, and DOI, just to name a few.
- Now it is clear at least 31 states voting systems/apparatus have also been corrupted, see table above.
- The borders have been turned into Swiss cheese by the same crooks rigging the American elections.
- Soros, UN, Deep State, Globalist, Transnational Corporations have infiltrated our government global to federal to state to local Muni's.

...of the NORTH AMERICAN UNION?

Can you imagine combining the Canadian and Mexican flags with Old Glory and pledging allegiance to a North American Union (NAU)? In reality, the NAU process is already underway to erase our borders and form a new nation by merging the U.S., Mexico, and Canada.

ARE NAU PLANNERS OUT OF THEIR MINDS?

No. They're dead SERIOUS.
Their words speak for themselves...

"As to what kind of [North American] union might there be, I see one based upon free trade, that would then entail commitment to markets and democracy, transparency, rule of law."
— President George Bush, March 23, 2005

I Pledge Allegiance to the Flag...

...AND THE SIGNS ARE EVERYWHERE

Have you noticed? The signs of a developing North American Union are mounting, and leaders continue to push the effort forward.

NAFTA SUPER HIGHWAY
Huge NAFTA highway corridors are now being designed and built to span from Mexico to Canada to serve as critical infrastructure to integrate North America.

THE NORTH AMERICAN SUMMIT
President Bush and the leaders of Mexico and Canada launched the Security and Prosperity Partnership (SPP) of North America on March 23, 2005. The SPP is playing the leading role in the NAU merger process.

OPEN BORDERS
Although legal immigration is growing rapidly, illegal immigration is growing faster. Our leaders refuse to enforce our current immigration laws. They are already acting as if our borders have been erased to form an NAU.

CHANGING CURRENCY
Many systems would be integrated in order to merge the three countries, including financial. The euro would replace the dollar, much like the euro was adopted in the European Union.

WAGE & JOB LOSS
Open borders and free trade have led to widespread wage stagnation and job losses. According to the U.S. Census Bureau, between 2000 and 2005 the median income of households headed by someone under 65 is down 5.4%.

14. The Great Global Reset Extracted From American Policy Center Email

Right now, unseen by the public, the Left is busy training a cadre of determined activists to put their plan into place - locally, state-wide, and nationally.

They now call their agenda - THE GREAT RESET!

Do you know what it really is?

Do you know what it will do to your life?

Do you know how to fight to stop it?

I Do!

The plan, as I've warned since 1992 - since Agenda 21 was released to the world - is to reorganize human society. **This Great Reset is not new - it's just a fresh coat of lipstick on an old pig designed to finally sneak in that agenda.**

Agenda 21, Agenda 2030, and the Green New Deal - are all the same plan.

- **Eliminate national sovereignty and independence.**
- **Destroy & replace the free enterprise economic system.**
- **Eliminate private property.**

These are the three pillars of freedom and all are targeted under the globalist agenda. Getting rid of these three pillars will give them the power to govern without our consent, control energy use, land, water, and the food supply. Global corporations will stand as small local businesses are eliminated.

Take a good look what they have done to us with the Coronavirus.

Businesses destroyed. The economy wrecked. Freedom of choice eliminated. And lies, lies, and more lies, that have destroyed the greatest healthcare system in the world. We have become a nation controlled by fear of an all-controlling, all powerful, corrupt big government.

That is what we must do to stop them.

I have created a comprehensive plan to help train local activists to organize, research, and create campaigns to elect our people - people with integrity - to those offices.

In addition, my plan also shows how to take legal action to make current officials accountable for their actions.

In the past few months, with the help of some of the nation's most talented activist experts, I have created one of the most comprehensive [manuals](#) ever prepared for our side. It teaches how to become a "Citizen Ninja" and how to turn your local community into a Freedom Pod - the first step in stopping the Globalists' take-over agenda.

The [manual](#) has intense background information to make sure local activists are fully informed as to whom the true enemy is and how they operate.

Along with the [manual](#), I have been producing training webinars over the internet, featuring many experts sharing their knowledge. I'm producing more as I write this.

I'm excited because across the country some activists are already using the webinars as part of their programs for their local groups - essentially creating their own training programs. That's exactly what I had hoped for.

Fighting them on the local level is where we will be most effective. It's where we can best organize and then steadily build a freedom movement that can't be stopped.

I will not back down. I will not surrender to this tyranny. I intend to do everything possible to stop them. And - I fully believe we can win - if we are willing to do the hard work to organize and fight back.
