Hi Jack,

This is one I would love to attend, but for health reasons don't think I could make the drive. I would be happy to present via Zoom or similar app.

I posted your link to my telegram group.

TCC Resources

The Constitutional County is supported by an integrated and comprehensive set of resources: education, training, videos, radio shows, documentation, flyers. Even a contest. All FREE. Use them to get up to speed on issues, as presentations for your group, or even to build your own course.
