If you or if you know of someone who is facing foreclosure or is in foreclosure please understand there is hope and there is help.

I am Michael-Edward:

I have operated www.YourRemedyIsInTheLaw.com as a response to the fraud and the corruption of commercial entities and of government since 2007 on the net and 5 years before that without a web site.

Our focus has been to enable and empower the average man to take his stand in the courtroom when necessary and to utilize the Administrative Procedures Act whenever possible before court challenges are met.

To this end and upon this Subject a method is developed, administratively, that will remove the Servicer - Debt Collector - Trustee from coming against you.

This Process has been administered over 500 times with complete success and without legal challenge.

If you would like more information please visit the web site www.HomeForeclosureRemedies.com and make your request known there.
