

Dear Fellow American Patriot,

The increasingly radical Green Left – including unhinged newcomers like ex-bartender Alexandria Ocasio-Cortez but also career socialists like Nancy Pelosi, Bernie Sanders, Chuck Schumer and their billionaire backers – have unleashed the “Green New Deal” on America.

The “Green New Deal” is a dangerous and expensive mix of socialist dreams.

From 10 MILLION government jobs (*conservatives need not apply*)... To DENYING Americans the massive and affordable energy within our own borders... To telling Americans WHEN and even IF they can drive or fly in airplanes... To paying for the \$93 million price tag with unbridled government borrowing and new taxes as high as 70%... All this and more threatens American prosperity and American liberty.

At this very moment, the radical Left are pushing their Green Agenda. Even though American voters REJECTED candidates who ran on the Green New Deal (*Joe Biden HID his support for the Green New Deal all through the campaign!*), Leftists like Nancy Pelosi, socialists like Bernie Sanders and Ocasio-Cortez and radicals like Rep. Ilhan Omar and Raúl Grijalva hope to use the “Green New Deal” to RUIN the American Economy, surrender American sovereignty to the United Nations, DICTATE even the smallest details of all Americans’ lives and turn the country we love into a failed socialist state!

You know what I mean! These liberals DESPISE President Trump’s Pro-America Energy Agenda. PRECICELY because it Made America Great Again! And, now, these socialists will push Joe Biden and Kamala Harris to use the Green New Deal to DESTROY American Greatness.

What’s more, they see the Green New Deal as THE way to take permanent power over our country and our LIVES. (*If you think government control under COVID is bad, you ain’t seen nuthin’ yet!*)

JUST IMAGINE the unbridled destruction these people will unleash on the America you and I love!

If these big government socialists – anti-American energy zealots like Bernie Sanders, Nancy Pelosi, Joe Biden, Chuck Schumer, Kamala Harris and Alexandria Ocasio-Cortez – have their way, they’ll **transform our great nation into a weak, powerless, poor country** at the mercy of enemies at home and abroad.

It is the greatest dual threat to America since the Obama years. And, frankly, the potential damage from THIS threat exceeds Barack Obama’s wildest socialist dreams. And, as the man who fought Barack Obama’s War on American Energy for eight long years, I know THIS “Green New Deal” is even MORE dangerous!

That’s why I ask that you do **TWO THINGS** to STOP the rabid socialists and their “Green New Deal” plan to ruin the American economy, surrender our sovereignty and turn our nation into a failed socialist state that THEY CONTROL COMPLETELY:

ONE: Sign and return your “**Stop the Green New Deal Survey of 5 MILLION Americans**” today. I’ll combine your answers with those from as many as 5 MILLION Americans all across the country and SHOW WASHINGTON, D.C. that America REJECTS the Left’s “Green New Deal” plan to DESTROY AMERICAN ENERGY and turn our nation into a socialist state!

What’s more, massive public opinion surveys like this are CRUCIAL when Congress is split as it is today and when EVERYTHING is on the line. They let elected officials know where voting Americans like you stand on crucial issues like the “Green New Deal”. They also let candidates for office know they must either bow to the will of the American people, or LOSE at the polls. (*And that’s especially important when even moderate Democrats are wondering if running on the Green New Deal hurt them in 2020!*)

TWO: This effort will require maximum effort from everyone here at the AMERICAN

America Great Again Pro-America Energy Agenda and will CONTINUE to do everything in their billionaire-backed power to DESTROY all the good he did for our nation!

YOU and I MUST do all we can to STOP these people by making sure we use our proven **EXPOSE**, **EDUCATE** and **END** programs to reach MILLIONS of voting Americans with this SECRET TRUTH!

Only the voices of MILLIONS of outraged Americans can stop this “Green New Deal” nonsense.

That’s why I MUST ASK you to complete, sign and return to me – right away – your “**Stop the Green New Deal Survey of 5 MILLION Americans**”.

Your “**Stop the Green New Deal Survey of 5 MILLION Americans**” is registered to YOU as a patriotic American from your state. And I will keep your *individual* answers strictly confidential.

But I WILL combine your answers with those from others I receive when you help me reach out to as many as 5 MILLION more Americans to STOP socialist politicians and leftist candidates for office from using “Green New Deal” to TAKE CONTROL of our nation so they can TEAR OUR COUNTRY APART!

The “**Stop the Green New Deal Survey of 5 MILLION Americans**” is a short-but-powerful survey that will let elected officials know exactly where you stand. And that you will STAND with MILLIONS of Americans to protect our economy, our sovereignty, our freedom and our FUTURE!

Combined with our **EXPOSE**, **EDUCATE** and **END** programs that use television, radio, the print media, direct outreach through the mail and online, and MORE to create a massive groundswell of grassroots opposition, you and I will make SURE other America-loving citizens know the TRUTH.

They’ll know MILLIONS of Americans OPPOSE the socialists’ “Green New Deal” today... And they’ll know MILLIONS of Americans will STOP their goal of using the “Green New Deal” to take TOTAL and PERMANENT control of the government and then DICTATE a DARK energy future!

As part of our **EXPOSE**, **EDUCATE** and **END** strategy, I will also make the “**Stop the Green New Deal Survey of 5 MILLION Americans**” survey results available to other conservative organizations, to media outlets – mostly conservative but including the liberal media as well – and to opinion leaders all across America. So they can let MILLIONS MORE Americans know of the MASSIVE opposition to the “Green New Deal” and the sneaky socialist plan to use it to fatally weaken our great nation!

Because you and I must use the AMERICAN ENERGY ALLIANCE **EXPOSE**, **EDUCATE** and **END** strategy to create a MASSIVE groundswell of grassroots voter opposition to the radical Left’s use of the “Green New Deal” to DESTROY America.

And that starts with your “**Stop the Green New Deal Survey of 5 MILLION Americans**” I hope you will complete and return to me right away in the enclosed envelope.

And when you do, please send the most generous contribution you can of \$10, \$25, \$35, \$50, \$100 or even \$250 to fund our **EXPOSE**, **EDUCATE** and **END** strategy and defeat the socialists who want to TAKE CONTROL in Washington, D.C. and RUIN the country we love with their socialist policies and their “Green New Deal” scheme!

Your generous gift will help me reach and rally MILLIONS of Americans in opposition to the “Green New Deal”, focus that energy on politicians to STOP them from passing the “Green New Deal” and, then, will make sure anti-American Energy radicals can’t use the Green New Deal to SUBVERT our country to the already-too-big-and-powerful federal government at the expense of your wallet and LIBERTY!

And what’s the cost of the “Green New Deal”? Beyond handing control of America’s future to a bunch of socialists? Well, as the **EXPOSE**, **EDUCATE** and **END** effort I hope you’ll support will show...

- *The “Green New Deal” calls for generating 100% of America’s electricity needs from wind mills and solar panels (currently they generate less than 9%) and eliminating the use of all oil, natural gas, and coal in electricity generation, manufacturing, agriculture and transportation.*
- *The plan also calls for the federal government to mandate “upgrading all existing buildings in the United States and building new buildings to achieve maximal energy efficiency, water efficiency, safety, affordability, comfort and durability, including through electrification.” That means EVERY existing building and would cost BILLIONS more – a burden placed on the homeowner – while violating individual liberty and personal property rights.*
- *Millions of existing jobs held by hard-working Americans would be destroyed as part of the “Green*

The left-wing Democrats and radical socialists plan to use the "Green New Deal" to RUIN the American Economy, surrender American sovereignty to the United Nations, DICTATE even the smallest details of all Americans' lives and turn the country we love into a failed socialist state! If these big government socialists – anti-freedom zealots like Bernie Sanders, Joe Biden, Nancy Pelosi, Kamala Harris, Chuck Schumer and Alexandria Ocasio-Cortez – have their way, they will use the "Green New Deal" to transform our great nation into a weak, powerless, poor country at the mercy of enemies at home and abroad.

Unless you can help the **AMERICAN ENERGY ALLIANCE** and our **EXPOSE, EDUCATE** and **END** programs **STOP** the "Green New Deal", this socialist agenda would:

- Include a **GREEN GOVERNMENT** job for anyone who wants it (of course, these government jobs will pay 50% higher than what the average American makes, plus benefits that add up to 78% more than the average hard-working American.)
- Include **MASSIVE** "Green Energy" spending to the tune of hundreds of billions more dollars passed to Green special interests and political allies. (Even though American taxpayers have already been swindled out of about \$150 billion for so-called "renewables" and "clean tech".)
- Include a whole social justice agenda from "Medicare-for-all," to a guaranteed job for all Americans, a \$15-an hour minimum wage, and even regulations on how often – and even IF – you will be able to drive your car and fly in an airplane.
- Cost between \$51 trillion and \$93 trillion over 10 years. (By comparison, the Congressional Budget Office projects government spending over the next 10 years to total less than \$60 trillion).
- Have to be absorbed by Federal Reserve Bank borrowing (further increasing the dangerously large budget deficit), and "various taxation tools including taxes on carbon and other emissions and progressive wealth taxes." That means 70 percent tax rates that liberals like Pelosi, Sanders and the rest have been touting for YEARS.

Your answers on your registered Stop the Green New Deal Survey of 5 MILLION Americans along with those I receive from as many as 5 MILLION Americans all across the country will SHOW WASHINGTON, D.C. that America **REJECTS** the "Green New Deal" and the Left's plan to take **TOTAL** and **PERMANENT POLITICAL POWER** in America and turn our nation into a failed socialist state!

And your generous gift of \$10, \$25, \$35, \$50, \$100 or even \$250, \$500, \$1,000 or more will help me use our proven **EXPOSE, EDUCATE** and **END** strategy to fight the socialists using the "Green New Deal" to buy political power, **STOP** the "Green New Deal" from **BANKRUPTING** America and ensure **MILLIONS** of Americans reject the Socialists' Green New Deal.

1 Are you willing to pay EVEN HIGHER TAXES to fund the \$93 trillion it will cost in the first decade after passage to pay for the socialists' "Green New Deal" nightmare?

Yes No Undecided

2 IF politicians like Nancy Pelosi, Joe Biden, Bernie Sanders, Chuck Schumer, Kamala Harris and Alexandria Ocasio-Cortez SUCCEED in using the "Green New Deal" to TAKE POWER, do you think they will stop there? Or do you think they will shove ever-more-dangerous socialist programs down America's throat?

They will stop after using "Green New Deal" to ruin the economy and surrender our sovereignty.

If they succeed, these people will use their TOTAL CONTROL to transform our great nation into a weak, powerless, poor country at the mercy of enemies at home and abroad.

Undecided

Survey Section 4: The Green Socialist Left is staking *everything* on the Green New Deal. To take control of American politics... And to ruin America...

1 I will not cast any future vote for any politician who supports "Green New Deal" or the Left's efforts to TAKE total and permanent control of Washington, D.C. to transform America into a failed socialist state.

Agree Disagree Undecided

2 I was pleased when President Trump used his Pro-America Energy Agenda to Make America Great Again and I support Tom Pyle and his AMERICAN ENERGY ALLIANCE in their efforts to recruit and mobilize 5 MILLION American Patriots to STOP the "Green New Deal" and to STOP socialist politicians and leftist candidates for office from using "Green New Deal" to DESTROY the Trump Legacy of American Greatness!

New Deal". And, as part of their vote-buying scheme, Pelosi, Ocasio-Cortez and their cronies guarantee "a job with a family sustaining wage, adequate family and medical leave, paid vacations, and retirement security to all people of the United States." Paid for, of course, by you.

- *In fact, even pro carbon-taxers like Douglas Holtz-Eakin, former director of the nonpartisan Congressional Budget Office, said it would cost between \$51 trillion and \$93 trillion over 10 years.*
- *Under the "Green New Deal", these MASSIVE costs would be absorbed by Federal Reserve Bank borrowing (further increasing the dangerously large budget deficit), and "various taxation tools including taxes on carbon and other emissions and progressive wealth taxes." That means 70 percent tax rates that liberals like Pelosi, Sanders and the rest have been touting for YEARS.*

Of course, left-leaning Democratic politicians like Nancy Pelosi, Elizabeth Warren, Chuck Schumer and Kamala Harris would LOVE to RUIN the American economy using the "Green New Deal". Thomas J. Pyle, President

With Congress so evenly divided, it's going to be a struggle. But with your generous support and your "Stop the Green New Deal Survey of 5 MILLION Americans" this is a fight WE WILL WIN.

ENERGY ALLIANCE. That's why I must have your generous contribution of \$10, \$25, \$35, \$50, \$100 or even \$250 to fight the anti-freedom socialists trying to use the "Green New Deal" to DESTROY American Energy Independence! It's going to be a struggle. But with your generous support and your "Stop the Green New Deal Survey of 5 MILLION Americans" this is a fight WE WILL WIN.

During Barack Obama's War on American Energy, my staff and I here at the American Energy Alliance developed a winning strategy to ensure Americans have access to our own massive and affordable energy reserves and to STOP liberal attempts to bankrupt America like this "Green New Deal".

And it is this **EXPOSE**, **EDUCATE** and **END** strategy that will be the powerful guiding force behind the AMERICAN ENERGY ALLIANCE programs I hope you will help support.

My name is Tom Pyle and I'm President of the AMERICAN ENERGY ALLIANCE. Since well before Barack Obama launched HIS Energy Assault on America, I have fought for American Energy and American Power and to keep greedy bureaucrats' hands out of your pockets and away from your liberty. It hasn't been easy. But we NEVER give up! And, after stopping Barack Obama's WORST attacks on America's energy-fueled economy, I was proud to help Donald Trump draft his Pro-America energy agenda that he used to Make America Great Again! MILLIONS of Americans supported his Pro-America Energy Plan. MOST still do!

In fact, that's why Nancy Pelosi, Joe Biden, Bernie Sanders, Chuck Schumer, Kamala Harris and their special interest allies DESPISE Donald Trump. Because he UNLEASHED American Energy and RENEWED American power. As you and I saw in 2020, they will do ANYTHING to DESTROY all his good work!

That's one more reason why I am focused on stopping the "Green New Deal" and the SOCIALIST TAKE-OVER of our nation. So they cannot TEAR HER APART!

With your support, the AMERICAN ENERGY ALLIANCE **EXPOSE**, **EDUCATE** and **END** strategy and **PROVEN** programs will make sure MILLIONS and MILLIONS of Americans know the dangerous truth about the "Green New Deal" AND the SECRET REASON behind this socialist attack on American energy.

You see, their "Green New Deal" plan is a secret scheme to put their increasingly leftist political base in complete control of our country. So they can DICTATE a DARK future for our nation!

In fact, the "Green New Deal" is CENTRAL to their efforts to create 10 MILLION GOVERNMENT JOBS as part of the "Green New Deal" to lock in their control of "The Swamp" and ensure voters who will keep them in office NO MATTER WHAT!

That's right! "Vote for us and we'll give you lucrative government jobs!" It's as simple as that!

And if they GET CONTROL and if the socialists' Green New Deal succeeds...

- *It will include MASSIVE "Green Energy" spending to the tune of hundreds of billions more dollars passed to Green special interests and political allies. (Even though American taxpayers have already been swindled out of about \$150 billion for so-called "renewables" and "clean tech".)*
- *It will spike your utility bills and gas prices so high that you will often have to choose between heating your home and filling your gas tank.*
- *It will DOUBLE the size of the federal government and greatly increase the POWER and CONTROL that Washington bureaucrats have over your life. And,*
- *This multi-trillion-dollar socialist manifesto isn't about "saving the planet" even though that's the left-wing rallying cry. It also includes a whole social justice agenda that includes everything from "Medicare-for-all," to a guaranteed job for all Americans, a \$15-an hour minimum wage, and even regulations on how often – and even IF – you will be able to drive your car and fly in an airplane.*

Those are just SOME of the facts of the Green New Deal that you can help the AMERICAN ENERGY ALLIANCE and our **EXPOSE**, **EDUCATE** and **END** strategy make clear to MILLIONS of Americans.

So WHY would we want a "Green New Deal" that adds to an already BLOATED federal government?

Leftist politicians like Bernie Sanders and ex-bartender Alexandria Ocasio-Cortez want it because THEY KNOW it will BANKRUPT AMERICA!

Again... THAT is the BIGGEST reason these people despise President Trump, despise his Make
