Subject: British Documentary - The Great Global Warming Swindle

Please forward to your readers

This well-researched documentary points out the flaws in the “*man-made global warming*” arguments and its unintended and disastrous consequences for the people of developing nations.

The Great Global Warming Swindle

Mar 9, 2007 **British documentary outlining the case for global warming skepticism**

The one hour show is divided into eight downloadable sections of approximately 9 minutes.
