**Subject:** Hunting in America - interesting perspective!!

**Interesting slant on things  
AMERICA 'S HUNTERS ---**

**Pretty Amazing!**

**A blogger added up the deer license sales in just a handful of states  
and arrived at a striking conclusion:**

**There were over 600,000 hunters this season in the state of Wisconsin**

**..**

**Allow me to restate that number: 600,000!**

**Over the last several months, Wisconsin 's hunters became the eighth  
largest army in the world.**

**(That is more men under arms than in Iran . More than France and Germany combined.)**

**These men, deployed to the woods of a single American state, Wisconsin , to hunt with firearms, and NO ONE WAS KILLED.**

**That number pales in comparison to the 750,000 who hunted the woods of Pennsylvania , and Michigan 's 700,000 hunters--ALL OF WHOM HAVE RETURNED HOME SAFELY.**

**Toss in a quarter million hunters in West Virginia and it literally establishes the fact that the hunters of those four states alone would**

comprise the largest army in the world.

And then add in the total number of hunters in the other 46 states.  
It's millions more.

The point? \_\_\_\_\_  
**America will forever be safe from foreign invasion with that kind of  
home-grown firepower!**

Hunting... it's not just a way to fill the freezer.

**It's a matter of national security.**

\*\*\*\*\*

**That's why all enemies, foreign and domestic, want to see us  
disarmed.**

Food for thought, when next we consider gun control.

Overall it's true, so if we disregard some assumptions that hunters  
don't possess the same skills as soldiers,  
the question would still remain...

What army of 2 million would want to face 30 million, 40 million, or 50  
million armed citizens???

For the sake of our freedom, don't ever allow gun control or  
confiscation of guns.

**(IF YOU AGREE, AS I DO, PASS IT ON; I FEEL GOOD THAT I HAVE AN  
ARMY OF MILLIONS WHO WOULD PROTECT OUR LAND AND I SURE  
DON'T WANT THE GOVERNMENT TAKING CONTROL OF THE  
POSSESSION OF FIREARMS.)**

**And don't forget American Veterans and elderly folks who don't hunt**

**anymore but still have guns and aren't afraid to use them!**
