Barack Hussein Obama — the mob-style, Black Muslim, “Godfather” of the United States — thinks he’s THE LAW. But there’s a BIGGER power that’s about to make him pay for his crimes . . .

Re: Traitorous Republican Establishment Congress abdicates its responsibility to stop Hussein Obama!

Dear Mr. & Mrs. Venrick,

LAW and JUSTICE are teaming up to legally bring to justice the corrupt Black Muslim “terrorist” in the White House, Barack Hussein Obama, in the biggest courtroom fight in history!

And just recently, the U.S. Supreme Court heard arguments in a case that’s got Hussein Obama seething . . . keep reading to see what’s got the Traitor-In-Chief so upset, and why he’s so angry at Freedom Watch.

Hussein Obama is a master criminal and scourge on American society, the Black Muslim Al Capone of the 21st century who runs the United States worse than a mob boss like Marlon Brando’s “Godfather.”

You see, for nearly eight years Hussein Obama has done *what* he wants, *when* he wants, *how* he wants, and sees the Constitution as nothing but a nuisance to kick out of the way. His ultimate goal: total control over America . . . and *that* means total control over you and your loved ones! He rules like a King and the White House has turned into his version of “Barackingham Palace.”

But the political corrupt Republican establishment cowards in Congress refused to stop Hussein Obama. In fact, they hoisted the white flag of surrender, and sent him a very clear message: You CAN do whatever you want, and **we’ll even help you break the law!** They bow down to the Muslim King, just as Hussein Obama bowed down to the Saudi King, and beg him not to call them racists against blacks!

That’s why Freedom Watch -- America’s patriot legal strike force -- is on the job and in the trenches. . .

My friend, even as you are reading this vitally important letter (*perhaps the MOST IMPORTANT LETTER you will ever read!*), Hussein Obama -- a verified, bigoted anti-Christian and anti-Semitic Black Muslim who was raised in Indonesia to worship the phony Islamic god Allah and to hate

(over, please . . .)

America -- is busy assuring his force-fed Marxist agenda will forever destroy the American way of life -- including yours!

And unless he's ultimately brought to justice and sent to Guantanamo prison where he belongs, he will have permanently destroyed our cherished Republic and turned Washington, D.C., into the Muslim Mecca of the West.

The corrupt establishment Republican Congress already tucked its tail between its legs and scurried away in fear from "the great and mighty Oz." But just like in that classic movie, what appears to be an invincible force is really only a man, and no more powerful than anyone else.

And just as Dorothy's dog Toto pulled back the curtain and exposed the fraud behind it, Freedom Watch for eight years has been exposing the hideous and evil Black Muslim criminal in the Oval Office. **WE ARE THE ONLY LEGAL STRIKE FORCE CONTINUALLY EXPOSING AND PROSECUTING HUSSEIN OBAMA -- THE LIAR-IN-CHIEF -- AND LAUNCHING THE LAWSUITS TO FORCE HIM FROM OFFICE** and make certain he pays for his crimes against the Constitution and American people -- even beyond his illegal occupancy of the White House.

While the do-nothing cowards in Congress are running scared and turning their backs on their constitutional responsibility to STOP Hussein Obama, Freedom Watch IS ON THE JOB, fighting for YOU, your loved ones, and all American patriots!

As you know, the RACIST Hussein Obama -- and yes, he IS racist -- has **crossed the line of no return**. He has done something clearly illegal, something for which -- thanks to Freedom Watch -- he is being dragged screaming before the nation's highest court to answer for his actions.

But while his *actions* reveal the treasonous Hussein Obama to be the Benedict Arnold of the 21st century, it's the criminal Islamic agenda behind those actions that exposes Hussein Obama as **an ENEMY of our grand republic**, an enemy who *must* be legally destroyed . . . and I have enacted exactly the plan that is doing that!

You see, *Sheriff Joe Arpaio, the famous crusader for the LAW, teamed up with the people's prosecutor, Freedom Watch, world famous for achieving JUSTICE for the American people.*

That means **LAW** and **JUSTICE** are working together RIGHT NOW to drive the corrupt Hussein Obama from the White House straight to prison in Guantanamo -- before he's given a chance to declare martial law and claim a "third term!" Please, my friend, keep reading this letter to see how LAW and JUSTICE will drive the final legal "nail" into the coffin of the anti-American Hussein Obama regime, because Congress has already caved in to Obama's demands.

It's now up to We the People, and the **Second American Revolution** . . .

For the sake of our nation, I'm begging you to keep reading this

(next page, please . . .)

vital letter for all the details on how Freedom Watch and I are going to defeat the Mullah-in-Chief, and your part in this battle for the heart and soul of America.

My name is Larry Klayman -- attorney, former federal prosecutor under President Ronald Reagan, author, activist, and patriot. **I'm the guy you need on your side when taking on the Black Muslim "Godfather" Hussein Obama and his mob of criminal disciples** composed of socialists, Black Lives Matters activists, atheists and pro-illegal immigrant miscreants.

As founder of both Judicial Watch and Freedom Watch, I've spent my entire professional career battling bullies, crooks, and would-be tyrants in court and out . . . fighting for justice on behalf of We the People. And *many of my achievements are legend . . .*

While leading Judicial Watch, I teamed with Congressman Bob Barr in a successful crusade to have the U.S. House of Representatives **IMPEACH** then-President Bill Clinton. And not only that, I am the **ONLY** lawyer ever to have a court rule that a sitting president was **GUILTY** of committing a crime, again Bill Clinton!

And I recently scored a huge legal victory for the American people when the judge hearing my federal lawsuit against Hussein Obama and his Nazi-style thugs at the NSA said that the administration's out-of-control domestic spying scheme is **UNCONSTITUTIONAL!** That case is most likely on its way to the U.S. Supreme Court, as well!

The Freedom Watch victories keep on coming! In fact, we are ecstatic, but not surprised, by the landmark decision from the U.S. Supreme Court that overturns Obama's illegal Executive Order declaring amnesty for more than FIVE MILLION illegal immigrants -- a decision perhaps swayed by one nation-saving brief filed by Freedom Watch on behalf of America's Sheriff, Joe Arpaio, our client and friend!

No other conservative public interest organization even comes close to having the impact and matching our incredible record of victories. That's why **Freedom Watch is your patriot legal strike force!**

But there's even more . . .

Freedom Watch's Citizen Grand Juries have *already* issued a resounding **GUILTY** verdict against Hussein Obama for presenting a forged birth certificate as "evidence" of his constitutional eligibility to serve as the president of the United States.

And Freedom Watch is spearheading the campaign demanding the Department of Homeland Security **open an immediate hearing on Hussein Obama's phony birth certificate and ongoing illegal occupation of the White**

(over, please . . .)

House. And the result of that hearing should be his immediate imprisonment and reversal of every illegal action he's done -- including each and every bill he illegally signed law. We have petitioned to have Hussein Obama deported from the United States, just like happened with his Muslim father years ago.

And Freedom Watch is representing in court many of the families of the **SEAL Team VI** heroes who tragically lost their lives when their helicopter was shot down in Afghanistan by Taliban insurgents. The terrorists identified SEAL Team VI as a target when Hussein Obama and Vice President Joe Biden treasonously released classified information about their role in the shooting of Osama bin Laden.

The fact is, when you have Freedom Watch on your side, you know you're allied with the leader of the **Second American Revolution**, and the fight for freedom will be won!

You see, by unilaterally granting amnesty to MILLIONS OF FOREIGNERS IN THE UNITED STATES ILLEGALLY, Hussein Obama spit directly in the face of Congress, the Constitution, and the American people.

Even the extremely liberal *Washington Post* and leftist TV shows like *Saturday Night Live* politically skewered Obama for his clearly illegal amnesty decree.

Now, if Hussein Obama's crime had been committed by a duly-elected, constitutionally-eligible president, it would be utterly despicable, and a direct threat to our form of government. But the fact is **Hussein Obama is NOT legally the president** . . . he is a foreign born, Manchurian candidate who was planted in the U.S. years ago and groomed by a combination of Marxist and Muslim handlers to rise through the political ranks until stealing the Oval Office. We now have a Muslim as president, one who hates you and your loved ones as good Christians and Jews who believe in the real God, not the phony one Hussein Obama bows down to five times a day.

And once he achieved that goal -- beginning with his phony election in 2008 which he "won" only by lying to the American people about his TRUE history as a Muslim and Marxist -- Hussein Obama did what he promised: he "fundamentally transformed" the United States of America into a race-baiting, welfare state in which half the population now relies on the government for support!

He has given *himself* powers granted by the U.S. Constitution *only* to Congress. And like a typical corrupt mob boss, Hussein Obama smugly says that he's the top dog, and his decrees *must* be obeyed, or else . . .

But We the People -- led by **Freedom Watch** and our **Second American Revolution** -- are not meekly marching off to the Obama government re-education

(next page, please . . .)

camps as obedient slaves to his Leftist pro-Muslim administration.

We, my friend, are fighting back . . .

Within hours of Black Muslim "Godfather" Hussein Obama's illegal and immoral action in which he trampled the Constitution and the Separation of Powers clause contained within, Freedom Watch and I filed **the most important lawsuit of all time.**

Now, with the Supreme Court upholding the lower court's ruling opposing Obama's illegal amnesty Executive Order Obama's White House is in total panic mode.

You see, this lawsuit is our last line of defense against the Black Muslim **corrupt mob boss in the White House: Hussein Obama. AND WE WON!**

Think of it: Sheriff Joe (**LAW**) and Freedom Watch (**JUSTICE**), working together to drive Hussein Obama and his accomplices from not just the White House, but from America itself!

Now that Sheriff Joe, Freedom Watch, and I are victorious -- ***and, remember, the future of America rests on this case!*** -- it will be a legal "**backhand across the face**" of Hussein Obama and his reprehensible, anti-American, anti-white, anti-Christian and anti-Semitic agenda that is stealing more and more of your rights every day.

It will be **We the People** standing united against the Marxist/Muslim mob boss who thinks he can do anything he wants. And it's up to us, my friend, since Speaker of the House Paul Ryan and the establishment Republicans -- a thoroughly compromised group who are cowardly to the bone -- are merely bowing at the feet of Hussein Obama, whimpering useless threats.

And when We the People stand together, it will not only be to oppose Hussein Obama's unconstitutional amnesty scheme, but to **expose him as the traitorous foreigner that he is!**

Sheriff Joe, through his Cold Case Posse, has already produced the **evidence PROVING Hussein Obama's so-called birth certificate is nothing more than a forgery designed to defraud the American people.**

And Freedom Watch has been active using that evidence to make sure make the phony "president" pays dearly legally for years to come!

Remember, it wasn't Congress who investigated Hussein Obama's **Muslim past in Indonesia.** It wasn't Congress who had **digital forensics experts look at Hussein Obama's so-called birth certificate, thus proving it a forgery.**

And it's not Congress now standing up against Hussein Obama and his

(over, please . . .)

Gestapo-style regime.

It won't be Congress lifting a finger when King Obama declares martial law and takes upon himself an unending "third term!"

It's Freedom Watch, leading We the People in the **Second American Revolution**, joined by Sheriff Joe and his Cold Case Posse. And we need your urgent support today.

Now, you can truthfully call Obama lots of things: *tyrant, racist, dictator, liar, traitor, bully . . .*

I'm calling him the Black Muslim **Godfather** because he *thinks* he's invincible, that there's NO ONE WHO CAN STOP HIM. But just like any mob boss who shakes down innocent folks on a regular basis, there **IS** a bigger power, one that can and WILL eventually take him down.

That power is THE LAW OF THE LAND -- the U.S. Constitution -- wielded by We the People, the TRUE rulers of America.

So, my friend, on behalf of Freedom Watch and the **Second American Revolution**, I vow to fight to the end, with every ounce of my being and down to my very last dollar, to see Hussein Obama legally REMOVED, imprisoned and sent to Guantanamo prison in his beloved Cuba -- before he has a chance to declare martial law. Once there, **he will no longer be able to destroy our great nation!**

And right now I need to call in reinforcements to help Freedom Watch and me take down the Black Muslim criminal regime of Hussein Obama . . .

You see, Hussein Obama crossed the proverbial line in the sand, and attempted to -- *against the expressed wishes of Congress and the American people, and in open defiance of the U.S. Constitution* -- illegally grant amnesty to upwards of five million illegal aliens, MANY OF WHOM ARE HIS FELLOW ISLAMIC TERRORISTS!

The Constitution is clear: Hussein Obama's actions are ILLEGAL!

Congress made a bit of noise, threatening to "take action" against Hussein Obama, but the reality is that they are cowards. They talked a lot, huffed and puffed for a while, but in the end Congress caved in to the Black Muslim Godfather's demands and did nothing.

So Freedom Watch filed a lawsuit with Sheriff Joe to prevent *five million illegal foreigners* from being on the fast track to becoming lifelong American citizens and voters, and then represented your interests opposing Hussein Obama's illegal Executive Order in front of the Supreme Court.

We can't let Hussein Obama reign as America's permanent Black Muslim

(next page, please . . .)

Godfather, dispensing his corrupt "justice" as he sees fit, and forcing the American people to toe his Marxist political line.

My friend, it is clear that Hussein Obama -- who wants to destroy Christians and Jews and all whites as he serves his own "Godfather," Allah -- must be stopped. And that's exactly what Freedom Watch and I are doing!

You see, in the legal system there's something called *standing*. In order to sue someone, you must demonstrate that you will directly suffer some harm.

And NO ONE will be harmed more by Hussein Obama's illegal actions than our nation's sheriffs: *the men and women on the front lines of the illegal alien invasion each and every day.*

Sheriff Joe and the others face, and in fact, are already facing, severe strains on their limited, taxpayer-funded budgets. Manpower and resources are in short supply as illegal aliens -- including rapists, gang members, drug dealers, child molesters, kidnappers, and even Islamic terrorists -- freely pour across the border because of Hussein Obama's anti-American immigration policies.

What's more, since the Black Muslim "Godfather" believes HE is the law and that he answers to no one, he *purposely refuses to enforce duly-passed current law that calls for the arrest and deportation of those who have illegally come into our country.*

Not only that, Hussein Obama has **released HUNDREDS OF THOUSANDS of hardened criminals onto our streets**, where they terrorize cities across the nation with their criminal activities.

Hussein Obama simply smiles smugly at the mainstream media cameras, and does what he wants, with no one to stop him. The cowards in Congress wring their hands and whine non-stop, but they refuse to take ANY meaningful action to stop him.

But Freedom Watch and I have a *big surprise* for the Black Muslim Godfather. While he has nearly an eight-year track record of crushing our rights, stealing our liberty, and spitting on the law of the land, the "party" is over and his regime is about to come to a screeching halt.

Hussein Obama -- the Black Muslim criminal kingpin who hates YOU, ME, and OUR GREAT LAND -- is now battling the Big Three: **Freedom Watch**, the **Second American Revolution**, and **We the People!**

And that is a combination that can't be beat . . .

You see, together we CAN defeat Hussein Obama and run him out of town. Together we CAN end his fake presidency and pack him off to prison in

(over, please . . .)

Guantanamo, Cuba or deport and send him back to his native country, Kenya.

Together we CAN and WILL reclaim our great Republic from the clutches of the radical Black Muslim mob boss who hates our country with every fiber of his foreign being . . .

The truth is, my friend, Freedom Watch and I cannot lead the **Second American Revolution** without the faithful support of patriots just like you. You are the *lifeblood* of this fight for the future of America.

My friend, my "wish list" for the remainder of 2016 is very simple: that We the People -- *and that includes YOU!* -- stand strong and tall with Freedom Watch today in opposing Godfather Hussein Obama's Muslim/Marxist agenda.

Here's the bottom line: Freedom Watch and I need your strong and urgent support today to see our many legal cases bringing the fake president Hussein Obama to justice succeed!

Since the cowardly Republican establishment Congress has already surrendered to Hussein Obama on the illegal amnesty order, you MUST help us win if our constitutional Republic is to survive . . .

I've included with this letter a brief "I'm Standing with Sheriff Joe" certificate of support. I need you to sign and return it today, my friend. I need to know right now you support Sheriff Joe and Freedom Watch -- **LAW and JUSTICE** -- as we take on the Black Muslim Godfather Hussein Obama -- bringing justice upon him, sending him to prison in Guantanamo with the rest of his radical Islamist comrades -- before he has the ability to declare martial law.

Like the many other vital cases Freedom Watch has been involved in, our legal actions filed on behalf of Sheriff Joe against Barack Hussein Obama have been hard-fought, and bitterly opposed by his Black Muslim Godfather's Gestapo-style thugs. We have depleted legal war chest.

I'm asking you today for your most generous, even sacrificial, gift for Freedom Watch so we can end the Black Muslim mob boss's reign of terror over the American people once and for all.

Please, dig deep and send an urgent, emergency donation today. Help Freedom Watch and me legally take down the Hussein Obama regime, ***and send the foreigner to prison with his radical Islamic cohorts in Guantanamo prison and later deport him to Kenya, his native country!***

While a gift of any size is always appreciated, Freedom Watch is in desperate need of some substantial donations to legally "arm" our staff for this battle to unseat the Black Muslim Godfather, and throw him and his criminal gang of political terrorists out of Washington, D.C., for good.

America and I are counting on YOU, my friend. I pray that you'll stand with Sheriff Joe (and the rest of America's heroic sheriffs), Freedom Watch, and me in this epic battle to stop the Black Muslim mob boss, Hussein

Obama, from destroying our nation.

We must raise the needed funds to legally defeat the Black Muslim Godfather -- Hussein Obama -- and end his Marxist/Muslim regime before he declares martial law and demands a "third term," and have him SENT TO PRISON IN HIS BELOVED CUBA so he can no longer harm America and later deport him to his native country, Kenya. This battle to stop Obama's emperor-like unconstitutional power grab to unleash millions of illegal aliens, many of whom are repeat offenders in committing serious crimes, onto your streets, where they will wreak harm on you and this great nation -- has been VERY expensive.

I MUST hear from you immediately. God bless you for your love of country, dear friend!

God bless you and our great country,

Larry Klayman, Esq.
Chairman and General Counsel
Freedom Watch

P.S. Help Freedom Watch send the Black Muslim criminal mob boss, Hussein Obama, packing once and for all before he has a chance to declare martial law and claim a "third term." This scourge on American society must be legally stopped. I urgently need your immediate support, fellow patriot. Please sign your "I'm Standing with Sheriff Joe" certificate, and return it to me today along with your most generous strong and urgent financial gift. Together, we can put "handcuffs" on the Black Muslim "Godfather," Hussein Obama and prevent him from seizing power for years to come! Hussein Obama will not likely leave office willingly. He must be removed legally now before he takes a permanent hold on power. Black Muslims do not obey Judeo-Christian

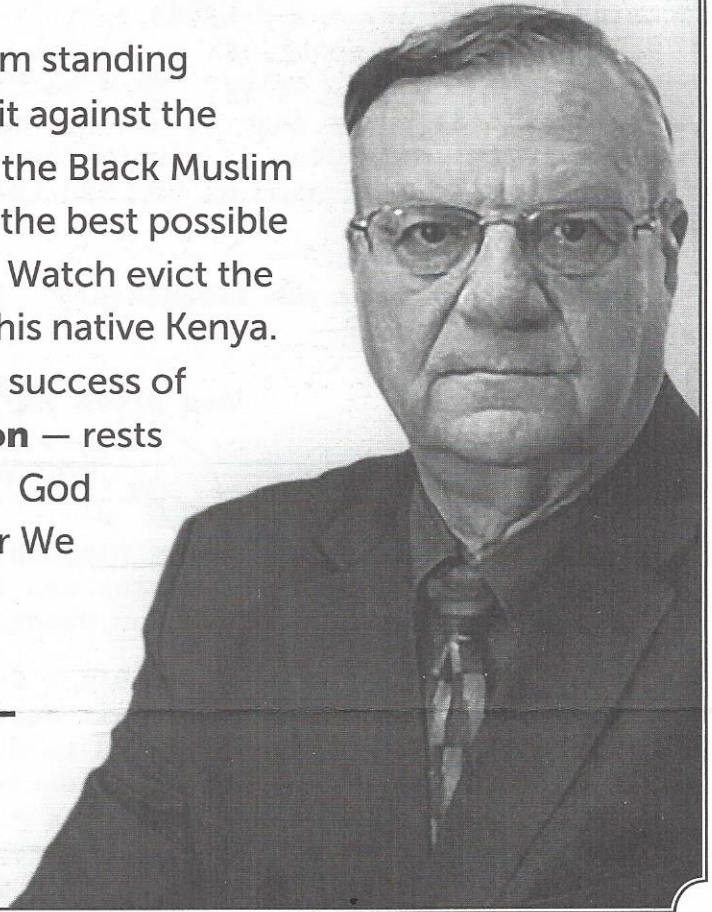

law, much less our Constitution. He will do whatever Allah, his god, teaches him, unless he is legally stopped now. And, Allah teaches Muslims like Hussein Obama to destroy Christians and Jews and to wage a worldwide caliphate to enslave Christians and Jews, if they are not killed altogether as "infidels." It's for this reason that Hussein Obama must be put in prison now and later sent out of this country, even Guantanamo prison, so he can do no more harm to you and your loved ones. We thus need your urgent financial support. The work we do is expensive, and we cannot fight this epic battle on an empty tank. God bless you and your loved ones in this fight for freedom.

Please turn over to your *Certificate of Support* for Sheriff Joe!
