

The National Tax Limitation Committee

Lew Uhler, President

5:30 AM, Monday Morning

Dear Over-taxed American,

We've finally got a President in the White House who actually listens to regular folks like you and me -- and believes in the Constitution.

That's why we've got a chance to actually End the IRS!

So please sign your name on the enclosed **IRS Form** to tell President Trump it's time to **END THE IRS!**

Then return your signed **IRS Form** within 3 days using the *pre-addressed reply envelope* I sent you.

And let me tell you...this is no regular "petition."

We've mailed petitions, made phone calls, sent faxes, and voted...but the politicians just won't listen.

But Donald Trump is different.

He's a master showman -- and he appreciates people who grab his attention.

That's why he'll cut through all his mail and go straight to your signed message written on the enclosed **IRS Form.**

And he'll be outraged.

Because you and I work our whole lives to earn a

living -- and then the IRS bureaucrats swoop in and take the money you earned...

They take taxes on every penny you made...

They take taxes on your phone bill...

They take taxes on your utilities bill...

They take taxes on everything you buy at the store...

They even take taxes just because you live in your home...

And the D.C. insiders just want More! More! More!

I say "enough is enough."

It's time Donald Trump hears directly from taxpayers like you and me!

And let me tell you...when Donald Trump hears from you -- he won't rest until the IRS is black flag dead.

President Trump knows it's people like you and me who put him in office -- and he cares about what we think.

And I say it's time to FIRE THE IRS!

If you agree, please sign your name on the enclosed **IRS Form** that tells President Trump to **END THE IRS!**

All the crooks and liars at the IRS will have to face Donald Trump telling them the last thing they want to hear:

YOU'RE FIRED!

Talk about payback for everything they've done to us!

But I need your help for this to work.

And that's why I need you to sign your name on the IRS Form I sent you -- and mail it back right away.

Because I'm going to send your message straight to the White House to show President Trump what you and I think about the outrageous tax bill you pay year after year ... month after month ... day after day...

It's offensive.

It's corrupt.

And it's just plain wrong!

Enough is enough. You've got to tell Donald Trump he's got to **END THE IRS** by signing and mailing back the enclosed **IRS Form** right away.

Every day the IRS rakes in BILLIONS of dollars in taxes.

They call it "revenue..." **I say IT'S YOUR MONEY!!!**

Our Founding Fathers set taxes at 1% to take care of what the government's there for: enforce the law and protect our national security.

I can deal with paying 1% in taxes! But instead the "almighty government" takes more than half of what we make!

And they spend even more than that!

And what do government bureaucrats do with all that money?

They line their own pockets with bloated salaries, the best benefits and huge pensions...and you and I pay

the bill!

Just look what happened when the fake news media released Trump's tax returns -- he paid almost \$40 million in taxes!

I don't want my money lining the pockets of some liberal IRS bureaucrat like it does now. I EARNED MY MONEY.

And you earned your money.

Your money should be YOURS to spend, save, or give away however you see fit.

The IRS didn't help you earn your money. They didn't hire you -- and they can't fire you. But you can fire them.

So it's time the IRS remembers that **you're their boss.**

And it's time for the American People to rise up and demand the President and Congress end the IRS as part of major tax reform legislation!

That's exactly the message you'll send when you mail back their own **IRS Form** with a piece of your mind written all over it.

Of course -- just one of these messages won't make much of a difference.

Donald Trump will know you're fed up. But you're just one person.

That's why I'm sending a lot more than just 1 message.

I'm Lew Uhler. I was an economic advisor to

Ronald Reagan.

Now I'm serving as President of the National Tax Limitation Committee (NTLC). And we're sending Donald Trump these **IRS Forms** from as many over-taxed Americans as we can.

When he finds out Americans are fed-up by the thousands...hundreds of thousands...even millions -- he'll do something about it.

Together we've won fights like this before -- and that was even before President Trump!

We did it in 2010 with the TEA Party movement.

We did it in 2014 when we booted the liberal thugs out of Congress.

We did it in the 2016 "clean sweep" that rejected the tax-and-spend liberal policies.

And now it's up to you and me to do it again.

AND WE'LL WIN THIS FIGHT when you mail back your signed **IRS Form** that tells President Trump to **END THE IRS** because it is abusive and unconstitutional!

Just imagine Donald Trump getting MILLIONS of these **IRS Forms** that tell him what real Americans think about the IRS and its future.

He'll listen to that more than some "polite petition."

Because I'm tired of being polite...

It's time to tell the IRS we're not alone. And we mean business.

That's why I'm asking you to send \$18 with your IRS Form.

If everyone who responds to my letter gives just \$18 I'll be able to mail out 250,000 more **IRS Forms** so the IRS can't ignore us.

Unfortunately -- the IRS hits some folks so hard they won't even be able to give \$18. So if there's any way you can give \$36 or \$54 to help pay for 1 or 2 other fed-up taxpayers -- that would be a huge blessing.

And if you can afford to send \$100 or \$250 that would make a huge difference...hundreds of times bigger than just you!

But no matter what you send -- please hurry. It's past time to get rid of the IRS because they aren't going anywhere unless you and I act now.

So tell Donald Trump you're fed-up with the IRS by mailing me your IRS Form along with \$18 or more today.

Together we'll help Donald Trump fire the IRS.

Your fellow fed-up taxpayer,

Lew Uhler

President, National Tax Limitation Committee

P.S. I'm fed up with the IRS! **It's time to show them they can't just take the money you earned.** So please sign and return the enclosed **IRS Form** with \$18, \$36, \$54 or more right away to tell Donald Trump we've got to **END THE IRS.** You and I can get real change with Donald Trump!

Thanks for your help! Together we can finish the IRS off - so hurry to send back your reply!
