# The United Kingdom is a corporation.

The screenshot shows a website interface for business credit reports. At the top, there is a yellow navigation bar with the text 'Business ons' and 'Home | Co'. Below this is a blue bar with three buttons: 'Get Credit Reports', 'My Business Credit', and 'Subscription'. The main content area features a search result for 'UNITED KINGDOM CORPORATION LTD', which is enclosed in a red rectangular box. Below the company name, it lists 'Single Location > 6 SHARON COURTcity=LONDON' and provides links for 'Back to search results' and 'Start a new search'. ## FPN: An OFFER to accept an ADHESION CONTRACT

- **ADHESION CONTRACT:** A type of **CONTRACT**, a **LEGALLY BINDING AGREEMENT** between two **PARTIES** to do a certain **THING**, in which one side has all the **BARGAINING POWER** and uses it to write the **CONTRACT PRIMARILY** to his, her or its **ADVANTAGE**.
- A **NOTICE** is not a **BILL**. A **NOTICE** is not a **DEMAND**. A **NOTICE** is nothing more than... an **OFFER** to discuss the **CONTRACT** the **OFFERER** is trying to force upon your **PERSON** - this is simply a tool of **REVENUE COLLECTION**
- The true reason why these FPN are **FORCED** upon your **PERSON** is simply to maintain the **ILLUSION** that they have control over your **LIFE, FORTUNE** and **FREEDOM**, because you **FEAR** their **ABILITY** to take from you something you deem **VALUABLE**

The truth is simple, mankind makes it complicated.

## SUBMIT a REGISTRATION APPLICATION

- When *you* **SUBMIT**; you are bending to another's will
- When you **REGISTER**; *you* are handing over **LEGAL TITLE** of what *you* are **REGISTERING** to whom or what *you* are **REGISTERING** to **ACKNOWLEDGING** or **TRANSFERING** the **AUTHORITY** to another by this **PROCESS**
- When *you* **APPLY**; which means to Beg; the assumption is made *you* know exactly what *you* are begging for, by whom or what *you* are **APPLYING** to and that *you* know, exactly what *you* are willing to give up for it
- And most of the time *you* **VOLUNTEERED** your **APPLICATION** and *you* were not forced to **APPLY**

The truth is simple, mankind makes it complicated.

## The creation of a 'PERSON'

- When you were born your mother / father **SUBMITTED** a **BIRTH CERTIFICATE REGISTRATION APPLICATION FORM**
- In the **FORMULATION** of any **LIMITED COMPANY/CORPORATION** there is always a **CERTIFICATE of REGISTRATION** to create it's **LEGAL PERSONALLITY**
- Your **FICTIONAL PERSON** known by **MR, MRS** or **MS** your **NAME** or **Mr, Mrs** or **Ms** Your Name is created by the same means

## Birth Certificate: How the Person is created as a 'Bonded Slave'

- **CERTIFIED COPY** - not original
- **NAME** of the **PERSON** being created  
**CAPTILISED SURNAME**
- **NAME** of **PERSONS** Father/Mother  
**CAPTILISED SURNAMES**
- **INFORMANT: QUALIFICATION** needed  
to be able to **INFORM**; Father/Mother  
to **INFORM** on the child being Born!
- **DECLARATION** from a *man* or *woman* to prove a *man* or  
*woman* was **PRESENT** to **REPRESENT** the **PERSON**, needed to  
create the new **PERSONS LEGAL PERSONALLITY**

The image shows a sample birth certificate form with various fields for personal and parental information. The form is titled 'CERTIFICATE OF BIRTH' and includes sections for 'PERSONAL INFORMATION', 'PARENTS', and 'DECLARATION'. The form is filled out with sample text, including names and dates. A circular seal is visible in the bottom right corner of the form.

## Please consider this!

- Consider this, could the **GOVERNMENT** actually take *your car* away and crush it **lawfully** if you actually owned it?
- It would be totally **unlawful**, so in using the process of **REGISTERING** your vehicle, they dupe you into handing over **LEGAL TITLE** of that **VEHICLE** (ownership) and you get a **V5 DOCUMENT** as the **REGISTERED KEEPER** (a **PERMISSION** to use it as long as it is used in **ACCORDANCE** to all of their **RULES**) If they did not dupe you into this, the very **ACT** of taking and crushing *your property*, would be a *crime* in Common Law
- Also by **REGISTERING** it you, as **STATED, AGREE** to **ABIDE** by their **RULES** and do so in their **SOCIETY**, this is how they **LEVY** the fuel **DUTY**/road**TAX**/MOT **REQUIREMENT**

## Know who *you* are.

- If you go to **COURT** (**CORPORATE** place of **BUSINESS**) you are asked immediately for your **NAME**. They even presume to know who you are and will ask as such.:

“**Mr** Harris?” - **Mr** is the title of something with **LEGAL PERSONALITY (STATUS)**

## Lawful Rebellion

- Peacefully resist all claims against your **PERSON** by refusing to **CONSENT** to the **CORPORATIONS POLICY**
- Always ask "am I obliged to answer your questions"
- "Under what **AUTHORITY** and under what Law are you **ACTING**"
- Remind them that " **FAILIURE** to **DIFFERENTIATE** between a **STATUTE** and a Law is **GROSS NEGLIGENCE** which is equivalent to **FRAUD**"
- This **APPLIES** to anyone who is trying to **ENFORCE** a **STATUTE** upon *you*; no matter **WHO** they are!

- A language can be created and used by a **SOCIETY**, a **CORPORATION** can be such a **SOCIETY**.
- **LEGALESE** is such a **LANGUAGE**
- It is English. But some words have **VERY** different meanings...
- **LEGALESE** is the **LANGUAGE** of the **LAW SOCIETY**.

## You are a man or a woman in Lawful Rebellion; not a PERSON

- *You* are a man or woman you are not a PERSON
- The **LEGAL** world is the same as your PERSON, it is a **FICTION** an **ILLUSION** that does not exist in the real world
- That is why the **CORPORATE EMPLOYEES** must get the man or woman to **REPRESENT** the PERSON before a **CONTRACT** can be formed
- Remember there is no **JUSTICE** in this country only **SUMMARY JUDGMENT**, for every **COURT**, even the highest in the land, is a for **PROFIT CORPORATION** which is part of the **CORPORATION UNITED KINGDOM**

  - how can you define a PERSON as **including natural PERSON**. Defining a word with the very same word is failing to define anything.
  - This definition is from Blacks Law 8<sup>th</sup> Edition
  - PERSON is defined as a FICTION in Blacks Law 3<sup>rd</sup> Edition

## REGISTRATION and your Children!!

- To this day **REGISTRATION** still means the same thing, i.e.; that **TRANSFER** of **LEGAL TITLE** to the body you have **REGISTERED** it with.
- As you have seen the worst possible way that this process could have been abused is in the **REGISTRATION** of **BIRTHS**!
- A simple show of how your child no longer belongs to you is this: mandatory vaccinations, mandatory schooling, holiday the children when they say you can and not before... they tell you how to manage their **PROPERTY** and if you don't do it their way, their appointed **GUARDIANS** take *your* children away; the **SOCIAL SERVICES PLC**

## Common Law vs STATUTE RULES/POLICY

- The only basic principles that any people, of any nation, need to adhere to are those of natural law which are mirrored in Common Law - never **Harm** or cause **Loss**
- **Common Law** applies to; *man or woman*
- **STATUTE RULES** apply to the PERSON only when the; man or woman **CONSENTS** to **REPRESENT** the PERSON
- **CONSENT** can be given by **in-action** as well as **action**
- Within Common Law exists the word **JUSTICE**
- Within **STATUTE RULES** you will just receive **SUMMARY JUDGEMENT** - you broke the **RULES** of the **CONTRACT** - *you LOSE!*

## Money is not the currency; you are!!

- *You* believe **MONEY** is **VALUABLE**; *you* work to get **MONEY**!
- So is the **MONEY** really **VALUABLE** or the **WORK** *you* are doing to get that **MONEY**?
- In reality *you* are the only **VALUABLE COMMODITY** because of the **WORK** *you* do and the only way *you* will do that **WORK**, is to be **PROMISED** you will receive **MONEY** for that **WORK**
