

- Notes taken from video on [www.inforwars.com](http://www.inforwars.com) on May 23-2023
- Reporter sees armed camps containing illegal male aliens.
- Appears to be a military outpost housing young military age males.....
- By a federal military operation.
- No local sheriff departments knew of this installation.
- Federal Border Patrol appears to be contracting and flooding extra illegal aliens.
- Venezuela is laundering Iranians to the USA.
- There are three cartel training camps on Mexican side along border.
- Lt. Col. Chambers says it appears to be more like a reception facility with cartel involvement.
- This is about Fentanyl & slave trade mover's intentional acts to overwhelm our system looking for handouts.
- Australian reporter says they have similar problem in Australia, i.e. 700,000 illegals and this problem is happen worldwide.
- This is called replacement migration.
- The cartels are using the horror of the Mexican Highway strewn with dead bodies, torsos, decapitation, hangings, men gutted; women fell entangled in the barb wire, little babies decapitated, etc.
- They come from the Mexican US border to transports to almost all the US States.
- U.S. ranchers are overwhelmed.
- This is a globalist war across the world to break national sovereignty.
- There is righteous anger growing!
- The illegals are being coddled, e.g. Mexican officials are helping illegal's to find ways to cross.
- At the same time illegal's are being told they must withdraw and return thru a border to qualify as seeking legal asylum.
