

If you want a hypothesis on why [the House recently passed warrantless surveillance on US citizens](#) under the guise of foreigners consider the following.

- *“Section 702 has faced opposition before, but it became especially fraught in the past year after court documents revealed that [the FBI had improperly used it](#) almost 300,000 times – targeting racial justice protesters, January 6 suspects and others. That overreach emboldened resistance to the law, especially among far-right Republicans who view intelligence services like the FBI as their opponent.”*

Regardless of how congress acts the following 8 points are a few samples of a long history of government agency whistle blower alerts and other material I have come across over 20 years in my research into property rights which may be mind blowing for some however, it is true. The checks and balances of our Republic are systematically being removed permanently over time.

1. **Congress Controlled By Rogue Federal Agents** according to this 57 minute video interview - <https://twitter.com/RealAlexJones/status/1784294092383338519>

- The bottomline here is the US Intel agencies are pressuring key committees who deal with Intel funding and the committee members are intimidated and afraid of them.

2. **American, British, & Isreal Intel Agencies are All One Agency** according to “The Great Awakening” new book out by Alex Jones with Kent Heckenlively, JD -

3. In “Patriots Betrayed” new book by David Baumblatt, a West Point Graduate and ex FBI Special Agent, **the author exposes the corruption and collusion between the Ammerican government and the American corporations and how their globalist agenda is undermining the freedom of American people and the country itself. He has documented his firing from the FBI because of their no balls leadership, e.g. they refused to go after the real CCP spies in America and instead went after David Baumblatt for reporting the truth.**

4. In “War Against The Deep State” by Colonel Retired John Mills, a new book I just got today, **the author describes an additional unlawful 4th, 5th & 6th branches of government, i.e. The Administrative State (growing regulations), Surveillance State (warrantless spying), and The C3s or IRS “501(c) (3), a**

network of nonprofits operating under a lack of oversight, think Soros, Gates, Big Tech funding and directing our border collapse.

- Here is the whole history if you will re. illegal tax taking as I researched it over THE LAST 20 years - <https://www.freedomforallseasons.org/FreedomFromALLTaxes.htm>

- Undercover Footage Exposing Anti-Trump Coup - <https://www.infowars.com/posts/the-american-journal-deep-state-rocked-by-undercover-footage-exposing-anti-trump-coup/>
- Florida GOP Rep. Matt Gaetz [responded](#) to the news by calling on a congressional investigation into the accusations made in the OMG video - <https://www.infowars.com/posts/the-american-journal-deep-state-rocked-by-undercover-footage-exposing-anti-trump-coup/>

This is an intentional weaponizing of Intel agencies within our own government plus add BIG TECH plus cooperating Intel agencies in Great Britain & Israel plus uncountable NGO's funded by Soros and multi billionaire Americans and foreigners plus UN, WHO, WEF, COUNCIL OF 300, TRILATERAL COMMISSION, BILDERBERGERS, UNFEDERAL UNRESERVE, BANK OF INTERNATIONAL SETTLEMENTS, WORLD BANK, ET AL.

These organizations have effectively over centuries organized and evolved themselves into a global elite mafia to take out what is left of the free world because freedom is a threat to tyranny and control. Alex Jones is convinced the Deep State is currently engineering a collapse of America. This is a no Duh to my 20 years of research. Very very few Americans can comprehend how diabolical the trending global agenda is becoming in America and worldwide.
