Subject: Jack, today's NEW video

Watch 10 minutes of Steve's 50 minute presentation from the Health & Freedom Conference.

This year's conference was jam-packed with info that needs to be shared with the whole of America. If you haven't yet ordered your 15 DVD set to share with friends and family, I urge you to do so now!

Your support for this program will ensure that we can continue to have these events in the future. If you are able, please help us by getting your copies now.

Your Friend,
George
