Subject: Bank Crash 1929 vs 2008...

These pictures are worth a 1000 life times

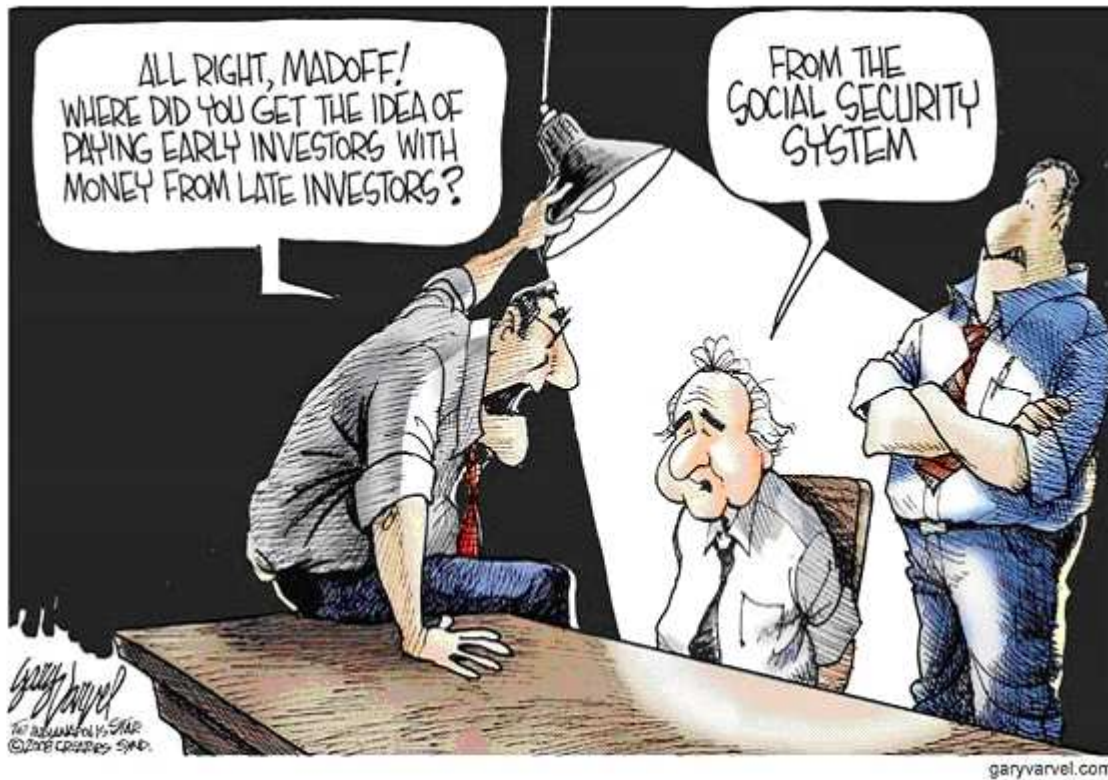

Jack

**When the Financial Crash
hit back in 1929 it was said
that some Wall Street
Stockbrokers and Bankers**

JUMPED from their office windows and committed suicide when confronted with the news of their firms and clients financial ruin many people were said to almost feel a little sorry for them

In 2008 the attitude has changed somewhat:

**YOU WRITE WHAT
YOU'RE TOLD!**
