FINCHEM
— FOR SECRETARY OF STATE —

Hello Jack,

If you have any doubt there is a war for Election Integrity in Arizona, all you have to do is watch what the Liberals and RINOs are doing in the aftermath of the 2022 election, which saw unprecedented fraud and chaos.

Stephen Richer, RINO Maricopa County Recorder, has doubled down on Arizona's terrible policy, all but ensuring that 2024 is even worse than 2020 and 2022.

But before I tell you what terrible elections we can expect from Arizona going forward, remember that Stephen Richer has had his own agenda for a while.

The *Gateway Pundit* reports:

During the 2022 Election, Richer founded and operated the Pro-Democracy Republicans PAC, a dark money PAC aimed at eliminating candidates with a MAGA agenda, used his office to illegally campaign against a ballot initiative requiring voter ID, and colluded with the federal government to censor conservative voices like The Gateway Pundit and likely Kari Lake.

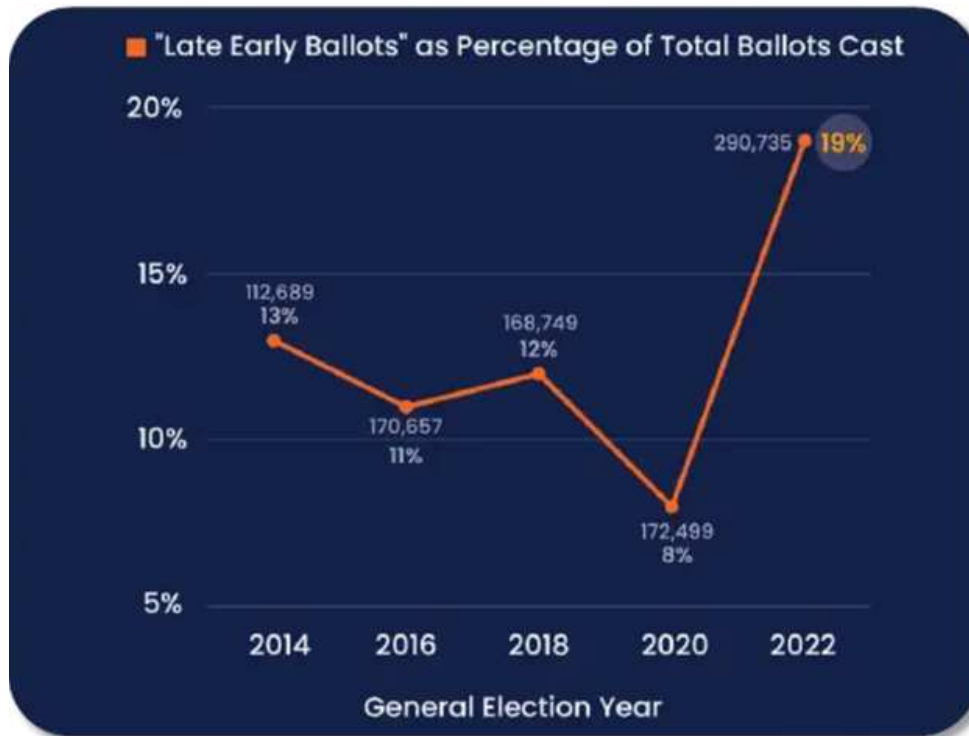

Richer was a big problem in the 2022 election. And now he is trying to make a bigger problem for America First Patriots in 2024, beyond his insanely corrupt use of the "Pro-Democracy Republican PAC" to shut out MAGA candidates, and beyond his use of collusion and censorship to wield his power.

But what is Richer up to now?

Richer is trying to expand early voting, a key issue which led to massive Republican disenfranchisement in the 2022 election in Arizona. Now, he wants to double down and extend the time period for early voting in Arizona.

This is terrible policy, and it will make 2024 even worse than 2020!

Stephen Richer includes the following graph in his proposal showing the increase in the phenomenon of "late early ballots" which he describes as "ballots received by the voter in the mail, filled out, placed in a signed and sealed return envelope and returned at a voting location on Election Day."

Yes, you are reading that right, "Late Early Ballots" represented almost 20% of Total Ballots Cast – which led to massive voter disenfranchisement, unending chain of custody problems, and more room for fraud, and the solution?

More Early Voting!

[STOP THE MADNESS!](#)

Show up, cast your ballot in person, follow the law. It really is that simple. And that is why we are continuing the fight in Arizona. Kari Lake continues her fight in Appeals Court in February, and I am fighting against threats of punitive sanctions by the Courts and by Fontes' and Hobbs' vindictive lawyers.

We are not done fighting for Election Integrity in Arizona. [As Radical Leftists and RINOs move to make our elections less secure, we must not give up the fight! Help me with a donation now!](#)

[Donate \\$50, \\$100, \\$250, or more to keep fighting for Election integrity in Arizona.](#) Arizona is Ground Zero for Election Fraud, and if we lose these key battles here, so will go the rest of the country.

HOLD THE LINE ON ELECTION INTEGRITY

Thank you for your support!
