**“What You MUST Know  
BEFORE Leaving Your House  
With Your Gun...”**

**Concealed Carry is a SERIOUS Subject...**

**I**f you've decided to [carry a firearm for personal protection](#) (or even if you're just thinking about it), **I applaud your decision.**

*Most people are not willing to do what is*

12/21/2011

necessary to protect themselves, their family members, and even complete strangers from the ruthless attack of a violent felon...

It is critical that you realize that **the MOMENT you're forced to draw your gun in self-defense there will be 100+ decisions that you'll need to make in a split second.**

The MOMENT you decide to draw your gun, **YOUR LIFE WILL CHANGE** whether you fire a shot or not.

If you need to take the time to THINK about these decisions, there's a good chance **you'll make a choice that will put you in jail...or worse.**

You need to have these decisions programmed into your brain **BEFORE** you leave your house with your gun!

Being a part of the **United States Concealed Carry Association** is all about helping people make informed decisions. We **empower** our members so they **know EXACTLY what to do in a life or death situation.**

For a limited time, we're giving Subscribers of this newsletter a priceless, **100% FREE download** report called **"What You MUST Know BEFORE Leaving Your House With Your Gun."**

Inside, you're going to uncover the answers to the toughest questions a citizen can (and MUST) face before being able to responsibly carry a concealed handgun and defend himself.
