

United States Justice Foundation

FROM THE DESK OF MICHAEL CONNELLY

March 7, 2014

Mr. John R. Venrick  
41250 250th Ave Se  
Enumclaw, WA 98022-8630

Dear Mr. Venrick,

I have a very urgent request to make of you today. Perhaps the most important that I have ever made of you -- and here's why.

We here at the United States Justice Foundation (USJF) are pleased to be celebrating our 35th year of defending liberty and protecting the Constitutional principles on which our great nation was founded. But, we are also now deeply involved in the most vitally important legal and grassroots efforts in our history... and I need your support now, more than ever before!

Please, let me explain. This is urgent, and time is short. As I rush you this time-sensitive appeal, we are already working on several major 2014 cases and campaigns that will be front and center throughout the rest of this critical year.

Most important will be our efforts to ensure that justice is done with regard to what I believe is the greatest hoax ever inflicted on the American people. The hoax that I am referring to, of course, is Barack Obama's successful effort to place his name on both the 2008 and 2012 Presidential ballots, WITHOUT ever proving that he was a natural born U.S. citizen and, thus, eligible to serve as President of the United States.

In short, throughout this crucial election year, USJF will be leading a massive grassroots effort to remove Mr. Obama from the White House...

... and, if the evidence is corroborated, impeach and prosecute him for deliberately defrauding the American people by claiming to be eligible to serve as our President.

A tall order to be sure. But we are up to the task. After all, we have the team, and the strategy, in place to ensure that these cases and programs run efficiently and effectively.

What we need now is a quick influx of new funding -- and that's why I am praying that you will find it in your heart today to speed USJF a very special, tax-deductible, and desperately needed gift of \$35, \$70, \$105, or more without delay.

Please, Mr. Venrick, we need this influx in funding by no later than Friday, March 28. And yes, I know that I am asking a lot of you today.

Over, please...

But, in all of USJF's 35 years, I can think of no other time when I feared for our liberty, and for our country, more than I do today.

Because Mr. Obama is more than simply a socialist.

He is a tyrant, who is bent on permanently transforming America into a second-rate, dependent, and weak welfare state where the government controls every aspect of our lives.

Well, we here at USJF are determined to do all in our power to prevent Mr. Obama from destroying our country, and squashing our liberty!

Which is why we have already taken a leading role in efforts to:

- ++ Challenge the Constitutionality of Barack Obama's endless Executive Orders designed to get around Congress and impose his socialist agenda on America by decree.
- ++ Strike down OBAMACARE on the grounds that it is an affront to the religious liberty of millions of Americans of faith.
- ++ Expose the truth about the IRS, the NSA, "Fast and Furious," Benghazi, and the other scandals swirling around Barack Obama and his legions.
- ++ Defend Arizona and patriots like Arizona Sheriff Joe Arpaio from any further harassment from the federal government.
- ++ Continue our efforts to find out why Homeland Security and other federal agencies are hoarding hundreds of millions of rounds of ammunition and massive amounts of weapons.  
Are they preparing to declare Martial Law? Will Obama leave office voluntarily? Ever?

Most important of all is our campaign to investigate the actions of Barack Obama before, and since, he first occupied the White House...

... and to impeach and prosecute him if the evidence (as we suspect) shows that he was never eligible to serve as President in the first place!

In short, we believe that even before Mr. Obama began his drive to rip up our Constitution, he was already guilty of a criminal cover-up of his past.

Why?

Because, as you well know, there remain many mysteries surrounding Mr. Obama's past that go right to the heart of the question of whether he was ever eligible to run for, or serve as, U.S. President.

Questions that include:

- 1) The authenticity of the long-form birth certificate that Mr. Obama released in 2011, the week before USJF's nationally

Next page, please...

televised federal appellate court hearing on the issue of his eligibility. Experts have argued that the typewriter used to fill out this form did not exist at the time of Barack Obama's birth.

Plus, Mr. Obama's birth certificate was filled out differently than others done at the same time, in the same hospital. And, there is evidence that the form was prepared using a computer not in existence in 1961. We are determined to find out the truth about these issues with a team of independent forensic experts.

- 2) The Constitutional issue of Mr. Obama's, and Eric Holder's, Department of Justice argument saying that ordinary citizens -- meaning you and me -- do not have "standing" to challenge the eligibility of a candidate for President.
- 3) The Constitutional issue of ensuring, through the states, that eligibility is confirmed before a candidate is allowed on the Presidential ballot -- this was our *Keyes v. Bowen* litigation that we appealed to the United States Supreme Court.
- 4) The issue of whether Mr. Obama was adopted by his Indonesian stepfather, Mr. Sotero, and, as a result, lost whatever U.S. citizenship that he may have had.
- 5) The issue of Mr. Obama traveling to Pakistan in the 1980's, using a non-U.S. passport -- he has stated that he did not obtain a U.S. passport until he was a U.S. Senator (2004 or later).
- 6) Why does it appear that Mr. Obama has no valid Social Security number?
- 7) Why does it appear that Barack Obama never properly registered (as then required by law) for the Selective Service?
- 8) And, did Barack Obama use Indonesian citizenship papers to get into his first college, Occidental, in California?

These FACTS must be pursued by the Congress as early as possible here in 2014 -- and, with your help, we intend to do EVERYTHING in our power to ensure that they are.

But, first, we absolutely must build up a cash reserve that will allow us to do what must be done to keep the pressure on the Obamatrons, and their efforts to hold on to power at all costs.

In short, we cannot afford to fall into debt at any time, most especially early on here in 2014.

Which is why, to help celebrate our 35th year of fighting together for our liberty, I hope that you will grant me a very special favor.

Over, please...

Mr. Venrick, you recently sent a much-needed gift of \$35 to help USJF fight Barack Obama's political machine, and his team of high-priced lawyers.

I thank you for that.

But -- I need your help once again.

Specifically, USJF and I need you to speed back a much-needed, tax-deductible gift of \$35, \$70, \$105, or more to USJF TODAY.

Please, we need to recoup the funds that we've already used over budget this year to keep our multi-front actions and cases funded and moving.

Again, it is crucial that we build up a cash reserve that will allow us to do what must be done to keep the pressure on the Obamatrons.

Last, but not least, Mr. Venrick, we need to raise enough funds to ensure that we can ACCELERATE our efforts, both legally and at the grassroots level, to ensure that the U.S. Constitution and the rule of law prevail over the tyranny of Barack Obama here in 2014.

So again, Mr. Venrick, please speed back a most generous, and urgently needed, tax-deductible donation of \$35, \$70, \$105, or more to USJF today.

Thank you. I will be anxiously awaiting your response.

Sincerely,

Michael Connelly  
Executive Director

P.S. Halting the socialist rule of Barack Obama and restoring Constitutional order in 2014, is going to be crucial to the survival of the United States as a free and prosperous nation. We are fighting Barack Obama's tyranny on multiple fronts, but USJF must have a continuous flow of ammunition in the form of donations to keep our operations running on all cylinders. So please, help make this 35th year of USJF our most important year ever: Send your most generous gift today so that USJF can continue to fight for America, and for you!
