This registration document, made available on Jan. 24, 2007, by the Fransiskus Assisi school in Jakarta, Indonesia,

Soetoro made by his step-father, Lolo Soetoro.

Name: Barry Soetoro

Religion: Islam

Nationality: Indonesian

How did little INDONE SIAN, Barry Soetoro, (A.K.A. Barack Obama) get around the issue of <u>nationality</u> to become president?

Someone who tells lies is a L _ _ r?

PART 2:

In a move certain to fuel the debate over Obama's qualifications for the presidency, the group

"Americans for Freedom of Information" has released copies of President Obama's college transcripts

from Occidental College.

Released today, the transcript indicates that Obama, under the name Barry Soetoro,

received financial aid as a foreign student from Indonesia as an

undergraduate at the school.

The transcript was released by Occidental College in compliance with a court order in a suit brought by the group in the Superior Court of California.

The transcript shows that Obama (Soetoro) applied for financial aid and was awarded a fellowship for foreign students from the Fulbright Foundation Scholarship program.

To qualify, for the scholarship, a student must claim foreign citizenship.

This document would seem to provide the smoking gun that many of Obama's detractors have been seeking.

Along with the evidence that he was first born in Kenya and there is no record of him ever applying for US citizenship, this is looking pretty grim.

The news has created a firestorm at the White House as the release casts increasing doubt about

Obama's legitimacy and qualification to serve as president.

When reached for comment in London, where he has been in meetings with British Prime

Minister Gordon Brown, Obama smiled but refused comment on the issue.

Britain 's Daily Mail has also carried the story in a front-page article titled, "Obama Eligibility Questioned,"

leading some to speculate that the story may overshadow economic issues on Obama's first official visit to the U.K.

In a related matter, under growing pressure from several groups, Justice Antonin Scalia announced

that the Supreme Court agreed on Tuesday to hear arguments concerning Obama's legal eligibility to serve as President in a case brought by Leo Donofrio of New Jersey.

This lawsuit claims Obama's dual citizenship disqualified him from serving as president.

Donofrio's case is just one of 18 suits brought by citizens demanding proof of Obama's citizenship or qualifications to serve as president.

Gary Kreep of the United States Justice Foundation has released the results of their investigation of

Obama's campaign spending.

This study estimates that Obama has spent upwards of \$950,000 in campaign funds in the past year with eleven law firms in 12 states for legal resources to block disclosure of any of his personal records.

Mr. Kreep indicated that the investigation is still on-going but that the final report will be provided to the

U.S. attorney general, Eric Holder.
Mr. Holder has refused to comment on the matter.

LET OTHER FOLKS KNOW THIS NEWS THE MEDIA WON'T EMBRACE!

NEITHER ONE OF THE OBAMA PAIR HAD TIME TO GET A REAL JOB AND WORK FOR A PAY CHECK. WE PAID THE BALANCE ON THEIR EDUCATION AND TRAVEL
