Subject: John, are you ready?

Hey John,

First, I want to personally invite you to join us in the largest attack on the IRS and the Illegal Federal Income Tax ever organized by the patriot community. This is a call to arms!

Many patriot organizations are joining forces to send a message to congress, the media and the American people. **SHOW US THE LAW!**

Our next issue of the Republic Magazine targets the criminals that have been dispatching our personal liberties. They have destroyed countless lives and split up families all in the name of a tax that is irrefutably **ILLEGAL** and a law that **DOES NOT EXIST!**

Visit our site for a list of the contents of the coming issue:

This April 15, they will not be laughing at the American people nor enjoying the fruits of the fraud perpetrated upon the "Sheeple". This month we meet them head on, face to face standing united as a people to put down this monster once and for all.

"SHOW ME THE LAW", issue #5 is now available for pre-order. This issue ships out on Feb 19th. We need to print as many copies as possible in preparation for this historic event. Please help us by ordering your copies now so that we can set the proper quantity to be printed. <http://www.republicmagazines.com>

The Republic Magazine is totally funded by your participation and we need your support to keep this fight alive. With this issue you have the power to pick the cover of the magazine. We've created 4 different covers that you can vote on. The most popular cover will be added to this issue. This is our country, our movement and our future... please join us in restoring it.

Please go to <http://www.republicmagazines.com> and order now to ensure that you get copies to pass out, leave in waiting rooms and read for yourself. If there are others that you know who need to learn the truth, you could order a gift subscription that we will

send directly to them.

Yours in Truth, Liberty and willing to put our necks on the line to
reclaim the rights of ALL Americans...

P.S. This is a campaign of freedom and action! This is a war waged
not on the battlefield but in the hearts and minds of all free men.
We are here because a few brave men and women were willing to take
action at the risk of their lives and families to make this a
nation of heroes. Over 230 years later we find ourselves here
again. Will you join us? <http://www.republicmagazines.com>
