

WHOSE CAKE ARE THEY BAKING

EVERYTHING IS A LIE - The ONLY road back home is to return to the fundamental BASICS. No true and honest Republic can be compelled into voluntary or involuntary servitude. The globalists have perverted the truth and have enslaved us all needlessly since time began using fear. After the last fraudulent election, we know how they do it.

ZEN CALENDAR

One day, soon after his enlightenment, the Buddha was walking toward a man who, while not knowing who he was, could see that there was something different about him. The man came closer and asked the Buddha:

"Are you a god?"

"No," the Buddha replied.

"Are you a magician, then? A sorcerer?"

"No."

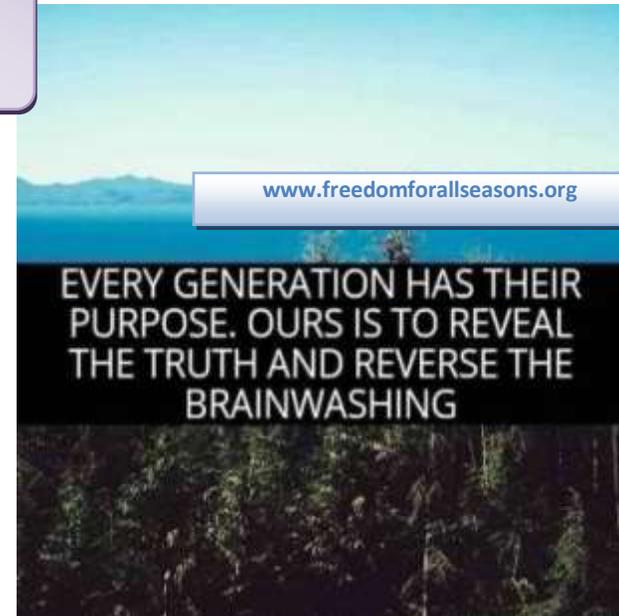

"Are you an angel? Some sort of celestial being?"

The Buddha again answered, "No."

"What are you then?" the man asked.

The Buddha replied: "I am awake."

WHOSE CAKE ARE THEY BAKING

Mission Not Impossible

EVERYTHING HAS BECOME A LIE - Now that another core right has been taken via the last election more people see the globalist TAKE ALL GAME PLAN. Those who do not see or believe need only wait their turn to be taken. Being personally TAKEN must be experienced first by many before an awakening; **it is the bitterest learning lesson.**

WHOSE CAKE ARE THEY BAKING

In the Patch Adams movie, a scientist admitted himself to a psychiatric ward and told Patch (MD to be) to try not to see what everyone else sees. Look beyond what you see, he told Patch. Never focus on just the problem. Look beyond the problem and see what no one else sees. See what everyone else chooses not to see out of fear, conformity and laziness.

Global to local government bodies are crawling out of their sand boxes and out of control. Globalist taking tactics include forming invitation only transnational groups, cross boarding transnational corporations, opening up critical government executive positions to global key players, sharking out competition, centralizing power, infiltrating governments until the government does not represent the people at all, monopolizing key businesses and taking over election voting equipment, digitizing the vote and controlling it from outside the country, corrupting the currency from a precious metal base, allowing out of state big money to fund key political positions, allowing the

federal government to expand beyond 10 square mile sandbox of DeCeit Inc.

It is back to BASIC time as in person voting with proper ID, gold/silver based currency and coin, elimination of the IRS and elimination of all direct tax takings upon labor, wages, pensions and private property and especially the elimination of the private Federal Reserve System including USURY. **WE HAVE A VOLUNTARY SYSTEM OF PAYING OUR TAXES.** YOU CANNOT COMPEL THE TAKING OF WAGES, PENSIONS OR PRIVATE PROPERTY

IN A TRUE AND HONEST FREE REPUBLIC, i.e. it is only done by deception and force.

"WE HAVE TO STOP FEEDING THE ENEMY.

It's up to us now to BE BRAVE and to lead the way for others so that We The People are never manipulated again.

They have been using intimidation and marketing campaigns (spell casting) to get us to pay them in order to control us - not the LAW.

BUT WE HAVE THE MAJORITY.

TAXES WERE ALWAYS VOLUNTARY.

We need to start participating in the new republic assemblies if we want to bring this world back into balance." Mary Moser via

What Should I do if I See a Crime

"If there is righteousness in the heart
There will be beauty in the character;
If there is beauty in the character
There will be harmony in the home;
When there is harmony in the home
There will be order in the nation;
When there is order in the nation
There will be peace in the world."
—Avatar Sathya Sai Baba

Q: What should I do if I see a crime?

Avatar Sathya Sai Baba: "Today many are indulging in actions opposed to Dharma and Truth and, on the basis of their caste or community, are promoting strife and conflict in the country. Elders in the nation are remaining mere spectators of all the unrighteous and violent actions that are being done by the evil elements. Even the scholars and intellectuals are remaining silent. Persons holding high office are merely watching what goes on. No one, however, is making any effort to stop this menace. They are not resisting the evil elements. It appears as if all their knowledge, position and influence have been reduced to nothing. Such persons, though they may not be indulging in

unrighteous acts, are giving encouragement to them.

When evil and injustice and violence are being perpetrated, if individuals look on unconcerned, they must be regarded as accomplices in the crimes. In the end they also suffer as much as the criminals. By their passive association, they provide encouragement to the evil doers.

When the good are associated with the wicked and do not oppose them, they share responsibility for the deeds of the evil doers. The Divine destroys even those who either do not oppose or remain passive while injustice and wrongdoing is perpetrated. The Divine will not consider whether they are learned or ignorant, wise or unwise. If they are learned or wise, why did they not stand up for truth and justice? Why did they remain silent? It means they are tainted by the same guilt. The failure to resist evil is their offence. It is only when we resist acts of unrighteousness and injustice and try to put down malpractices in society that we can claim to be assisting in the task of restoring Dharma. ...

Whoever may commit an offence, whether a son, a relation or a close associate, one will be free from the taint of being accessory to the crime only if he opposes the wrong action and tries to correct the offender. If, on the contrary, he allows it or encourages it to be done, he will be guilty of abatement."

The Bottom line

+ HOW BAD DOES IT HAVE TO GET TO BELIEVE WE ARE BEING TAKEN?

+ The corporations are ONLY paying 1% of the federal tax taking and the state Citizens pay 14%

- This can all be replaced by eliminating all direct tax taking on the state Citizens as in no tax taking on labor, wages, traditional and Roth IRA's & pensions PERIOD.
- All of the above can be replaced by a 12 to 14% tax on all corporations. Corporations do not pay tax as they merely pass on the tax taking to their customers.
- There is no fundamental or founding or current law that requires you to pay anyone part of your labor, wages, pensions or private property.
- We are being systemically extorted on all fronts of our individual sovereignty.
- POWER WAS SHIFTED FROM THE STATES TO THE DISTRICT OF COLUMBIA AND ITS TERRITORIES IN 1871. [LINK AND LEARN WHAT HAS HAPPEN.](#)

+ The States & their dysfunctional children, the municipal corporations are not true & honest organizations, they are in a racketeering business.

+ The globalists are a spider web of hundreds of transnational corporations and governments doing business behind our backs for their handlers benefit.

+ **Herein you will see Klaus Schwab's World Economic Forum (WEF) as one example of a cocoon he has spun around some 845 corporations.**

+ This global network is behind the taking of our labor, pensions, private property, true and honest election systems, true and honest precious metal based currency and coin now replaced with debt based notes, extreme environmentalism to take our land, water and mineral resources, replacing

consent of the govern with ineffective political "representation", U.S. market economy has been outsourced, jobs are out sourced, southern borders left undefended & without walls, globalist UN Agenda 21/2030 socialist/communist policies brought in to hundreds of U.S. cities around state permission/vetting, needless forced lockdowns, masking and vaxing forced upon all without individual consent, outbreaks of crime in large cities to further breakdown law and order.

- + We are being rolled up and baked like a cake while the states act like helpless children.
- + Current federal, state and municipal corporations are largely not responding to the consent of the sovereign state Citizens. Accountability and direct responsibility to each individual state Citizen has been ignored. There is only rare enforcement and penalty upon those who deny full transparency and accountability. They protect those who take and imprison those taken.
- + Municipal corporations have a long track record of not responding to Citizens requests including receiving consent of the local Citizens for approval. The muni's may even think this is business as usual. Muni's cannot distinguish the difference between manmade laws and natural laws.
 - 1) Montana State zoning amendment process is so screwed up it took Lake County 6 months to say NO to changes 98% of the district property owners told them NO 4 times.

 - 3) So I submit changes to the applicable legislation on the books, i.e. MCA 76-2-205 and SB 294 and give to key people and nothing happens and it goes nowhere.

Economic Paradigms

Keynesian: One who believes in John Maynard Keynes' theory that recessions and depressions should be stopped by the government injecting money into the economy. Keynesians have little objection to extensive government controls. They believe in adjusting or "fine tuning" the economy.

Monetarist: One who believes an inflation of the money supply causes rising prices. Also called the Chicago School. Their leading light is Milton Friedman. Monetarists have more faith in free markets than Keynesians, but do allow limited expansion of the money supply.

Austrian: A follower of Austrian economists Ludwig von Mises and F.A. Hayek. In regard to monetary policy and free markets, Austrians have much in common with monetarists but go farther, demanding no inflation of the money supply whatsoever. To the claim that the benefits of government are greater than the costs, Austrians ask, where is the evidence? Austrians also see the economy not as a machine but as an ecology comprised of biological organisms — humans — who cannot be adjusted or fine tuned without damaging them.

➤ HOW GLOBALIST/DEEP STATE ARE STRANGLING AMERICAN ENERGY

ANSWER: We must reorganize all municipal corporations into cooperative services while distributing profits back to the customers. We must stop all tax taking upon wages, labor, pensions and private property and go to [indirect tax taking ONLY](#).

[Constitutional Counties is one more giant step toward a free choice coop. Read the hits on "Constitutional Counties with duckduckgo.](#)

Forcing services upon others who do not use, cannot afford or do not wish the services is unethical, ungodly & violates God's Law of Free Choice. Municipal corporations are children of the state & as dysfunctional as the state & DeCeit Inc. who is the shadow Mother of all corporations. Look at the real parents of this structure. The embezzlement agenda flows from forcing innocent wage earners, pensioners, & property owners into needless slaves of the state to use worthless printed fiat paper note debt of the corporations perpetuated by THEIR lying media, political apparatus, and indoctrination systems upon our children plus all the covert serial agencies of the federal, state & municipal power structure especially those used to subvert our votes.

We need to charter seed cooperatives into free choice communities breaking from false flag fear based out dated municipal monarchy monopolies who have no respect for fraud free elections, no tax taking upon labors, pensioners and property owners while the corporations, trans-nationals, unFederal unReserve, local, state national, central and world banks, corrupt political parties who rake in trillions and force slavery and deception agendas upon us all including open borders and foreign voting machinery funded by China and subsidized by the U.S. Congress. Look at how many banks in any city! Debt and deception are the common denominator to breaking free choice and the only free Republic in the world.

Unless we reorganize ourselves, we will never break free from the chains of this global to local cabal, One World Government, New World Order and Deep State tyrannical apparatus who has cast a spell over us all.

This current form of chain monopolies called "government" will never change to free choice! Only by taking risk with trial and error liberty experiments can we remake ourselves. Just the fact there is no free cooperatives says it all. Look again at what you cannot see or you refuse to see. No one is allowed to break away from the predatory, despotic, rogue, interlocking, covert, crony capitalism, exploiting, masquerading, enslaved by submitting, parchment worship using phony adhesion contracts says it all. The concept of charter schools took decades to form which again shows the diabolical selfishness in outdated forms of "government" we allow. We have built vast hierarchies of socialistic & totalitarian systems benefiting corporation's NOT SOVEREIGN STATE INDIVIDUALS. Jack Venrick - www.FreedomForAllSeasons.org

[How Klaus Schwab's resident scientist in World Economic Forum views human beings](#) (2 Mins. Thanks Ken Shock)

WHOSE CAKE ARE THEY BAKING

- "What is this “Great Reset” we’re now hearing about? In a nutshell, the Great Reset refers to a global agenda to monitor and control the world through digital surveillance.
- As explained by journalist James Corbett in his Oct. 16, [Corbett Report](#) above, the Great Reset is a new “social contract” that ties every person to it through an electronic ID linked to your bank account and health records, and a social credit ID that will end up dictating every facet of your life.
- It’s about getting rid of capitalism and free enterprise, and replacing them with “sustainable development” and “stakeholder capitalism” — terms that belie their nefarious, anti-humanity intentions. As [noted](#) in the book, “[Technocracy](#): The Hard Road to World Order”:
- **“Sustainable Development is Technocracy ... The Sustainable Development movement has taken careful steps to conceal its true identity, strategy and purpose, but once the veil is lifted, you will never see it any other way. Once its strategy is unmasked, everything else will start to make sense.”**
- **“While technocracy is not a political system but an economic one, in practical terms it does resemble fascism. None of it is being sold under the banner of fascism, of course. Instead, they use financial terms like “stakeholder capitalism,” [described by](#) Forbes magazine as “the notion that a firm focuses on meeting the needs of all its stakeholders: customers, employees, partners, the community and society as a whole.”**
- **[The Great Reset for Dummies \(13 pages double sided\) MUST READ](#)**
 - **“[The Great Reset](#) is a massively funded, desperately ambitious, internationally coordinated project led by some of the [biggest multinational corporations](#) and [financial players](#) on the planet and carried out by cooperating state bodies and NGOs. Its soul is a combination of early 20th century science fiction, idyllic Soviet posters, and the obsessiveness of a deranged accountant with a gambling addiction— and an upgraded, digital version of “Manifest Destiny.”**
 - **The mathematical reason for the Great Reset is that thanks to technology, the planet has gotten small, and the infinite expansion economic model is [bust](#)—but obviously, the super wealthy want to continue staying super wealthy, and so they need a miracle, another [bubble](#), plus a surgically precise system for managing what they perceive as “their limited resources.”**

WHOSE CAKE ARE THEY BAKING

- **The psychological reason for the Great Reset is the fear of losing control of property, the planet.** I suppose, if you own billions and move trillions, your perception of reality gets funky, and everything down below looks like an ant hill that exists *for you*. Just ants and numbers, *your assets*.
- Thus, the practical aim of the Great Reset is to fundamentally restructure the world's economy and geopolitical relations based on two assumptions: one, that every element of nature and every life form is a part of the [global inventory](#) (managed by the allegedly benevolent state, which, in turn, is owned by several suddenly benevolent wealthy people, via technology)—and two, that all inventory needs to be strictly accounted for: be registered in a central database, be readable by a scanner and easily ID'ed, and be managed by AI, using the latest “science.” The goal is to count and then efficiently manage and control *all* resources, including people, on an unprecedented scale, with unprecedented digital anxiety and precision—all while the masters keep indulging, enjoying vast patches of conserved nature, free of unnecessary sovereign peasants and their unpredictability. The king's world feels far more predictable and relaxed when the chaos of human subjectivity is contained for good.”
- Keywords to awaken too - "Who are they - Top Capitalists, historically wealthy dynasties, secular & religious royalist, billionaires, individual super sharks and giant monopolies managing "their" global inventory by co-opting government, destroying farms and small businesses and bringing down the middle class, i.e. also called a soft coup.

The Individual state Citizen (Red line graph below) pays increasingly much more of the total public federal (think globalist) tax collection than the corporation's (green line) over history. Jack's research 1992 - 2010. THIS TREND OF TAKING HAS HISTORICALLY BEEN THE SAME. LOOK AT THIS GRAPH AND WAKE UP.

WHOSE CAKE ARE THEY BAKING

Individual federal taxes (blue line) can be replaced by a 12 to 14% tax on corporate revenue (dashed line).

- **Corporations pay ONLY 1% of their revenue for federal taxes.**
- **While Individual state Citizens pay 12 to 15% of their wages for federal tax takings.**
- **Jack's research 1994 - 2008 HOWEVER, LOOK AT THE BOTTOM LINE, WE HAVE ALWAYS BEEN TAKEN!**

WHOSE CAKE ARE THEY BAKING

Global TO Local Corporations With The Help Of Government Have Legitimized All The Illegitimate Sources Of Revenue Below To Transfer Power From The Sovereign State Citizens To Bankers, Trans-Nationals AND Their Puppet Governments In Less Than 246 Years. THIS IS ABSOLUTELY NOT NECESSARY AND ANOTHER GLOBALIST TAKING UPON A TRUE & HONEST REPUBLIC!

Legitimate vs. Illegitimate Sources of Revenue in a Honest Constitutional Republic or Consolidated Republic
Researched, validated and compiled by Jack Venrick, www.freedomforallseasons.org , Permission to use with credit
I. LEGITIMATE sources of revenue - more than sufficient to fund infrastructure:
1. Uniform indirect taxes on state created corporations
2. Customs, duties and imposts on foreign corporations importing goods and services to America
3. The sale and lease of state natural resources
4. The printing/minting of value based currency and coin - the union AND the states may mint and compete
5. Cost Avoidance - the Government & the natural born do NOT pay interest on what is minted and circulated for their own use
II. ILLEGITIMATE Sources of Revenue:
1. Federal OR state "income tax" is an indirect tax which CANNOT be applied directly to natural born state Citizens
A. The 16th Amendment authorizing an "income tax" was never fully ratified & is fraudulent
B. The 16th Amendment "income" tax only applied to corporate profit & gain NOT to property or wages of the natural born state Citizen
C. Multiple high court rulings established the 16th Amendment DID NOT change the tax system, i.e. see next line
C1. NO taxes on property or wages which are NOT apportioned to the population of the {state divided by/the Union of the State}
D. Multiple high court rulings established individuals CANNOT be taxed for the mere privilege of existing, unlike a corporation
2. Property taxes are illegitimate and fraudulent and CANNOT be applied to any property owners
A. The delegates to the original constitutional conventions voted for NO direct taxes
B. The direct apportioned tax was written into the original constitution against their instructions, i.e. forced/snuck in
C. The original constitution was never unanimously approved as required by the Articles of Confederation still legitimate
D. In addition to the above historical facts, union direct taxes could only be apportioned to the several states by population
E. Multiple high court rulings established individuals CANNOT be taxed for the mere privilege of existing, unlike a corporation
3. Sales TILL taxes are an indirect tax and CANNOT be applied directly upon natural born state Citizens
A. Sales taxes must be absorbed by the corporation and passed through in their pricing IF they so chose
B. A sales till tax is a forced direct tax if applied upon the natural born state Citizen
C. Additionally, the natural born state Citizen must freely chose to purchase the product or service or not
4. Flat taxes, VAT taxes, "Fair" taxes, Sales taxes & Excise taxes CANNOT be applied upon natural born state Citizens
A. These type of taxes are all indirect taxes and can only be applied to corporations who may pass them through in their pricing
III. Other ILLEGITIMATE Takings of Property:
Zoning, regulations of any kind, permitting, eminent domain, environmental takings, conservation easements, attachment to any resources above or below the ground, licensing, inspections, conditional use, hollowing out of the allodial title, easements, open space, special use, recording of or making public, any information regarding private property, assessment of the property, are all violations of your basic unalienable rights including trespass, violation of rights to privacy, which are acts of aggression to incriminate and obligate you and your family in perpetuity violating your birthrights/unalienable rights.
The natural born state Citizen can NOT be forced or entrapped into agenda obligations designed to limit individual rights.
This goes against the highest charters and original intentions of the land including the Laws of Nature and Nature's God, the Declaration of Independence and the action and intention of freeing ourselves from this type of tyranny by spilling our blood and winning our freedom and liberty during the American Revolution.

CHINA'S ELITE CAPTURE - HOW CHINA IS ACTIVELY INFILTRATING BIG TECH, WALL STREET, POLITICS, ENTERTAINMENT, AND EDUCATION

Most people are unaware China has been using a strategy called “Elite Capture” to forward their communist agenda in America.

“Elite Capture” is a high-level strategy in which China offers money, special favors, and access to their markets in order to promote their goals.

For years, China has been advancing their communist agenda by making promises to American elites in Big Tech, Wall Street, politics, entertainment, and education.

In the following video, Peter Schweizer, author, investigative journalist, and president of the Government Accountability Institute, pulls back the curtains and exposes the truth about “Elite Capture.”

- GOING DEEP DOWN THE RABBIT HOLE

THREAT. In criminal law. A menace; a declaration of one's purpose or intention to work injury to the person, property, or rights of another.

A threat has been defined to be any menace of such a nature and extent as to unsettle the mind of the person on whom it operates, and to take away from his acts that free, voluntary action which alone constitutes consent. A Treatise on The Current System of Control in America

VS.

A True and Honest Republic

FINAL 6/14/2011

"The State...both in its genesis and by its primary intention, is purely anti-social. It is not based on the idea of natural rights, but on the idea that the individual has no rights except those that the State may provisionally grant him" - Albert Jay Nock (Our Enemy, the State)

How Individual Power Is Taken From American Natural Born state Citizens
And Translated Into Force Taking Their Birthrights

Jack Venrick - www.freedomforallseasons.org

"In subsequent numbers, the author hopes to show that, under the principle of individual consent, the little government that mankind need, is not only practicable, but natural and easy; and that the Constitution of the United States authorizes no government, except one depending wholly on voluntary support." *Lysander Spooner, No Treason No. 1. The Constitution 1867*

Abstract - One Sentence: The current hierarchy of control used in America is debased on force & deception vs. a true & honest republic based on individual power & free choice; take away this force and the current dynasty melts and a golden age of individual freedom and liberty begins.
