To My Property Rights Friends: (My Freedom Foundation)

Below and attached above is relative good news for a change if action follows the words.

- **Most especially print, read and forward the **Skagit County Prosecutor Letter to Swinomish Tribal Attorney, link below extracted from attached news by This West is Our West****
 - [Skagit County Letter to Swinomish Tribal Attorney](#)
 - This letter is a 8 page masterpiece rarely seen coming from the generally liberal county municipalities.
 - If you enjoy the PA words of wisdom to the tribal attorney consider writing him an appreciative note.
- Also consider signing up for the free newsfeeds from www.thiswestisourwest.com to help the western states and rural areas reclaim all that has been lost.
- Follow further tribal takings of public and private property and natural resources here -
 - <http://www.freedomforallseasons.org/FreedomFromWaterTakings.asp> [Section 1](#).
 - Check out Section 1, Block 17 and 18 especially.
- The Globalist One World Order will seed and fertilize any lie to put themselves in control.

[Presidential Executive Order on Promoting Agriculture and Rural Prosperity in America](#)

This Executive Order completely contradicts everything being attempted in the CSKT Water Compact. The E.O. and the Compact are polar opposite in objectives. This is another great tool to eliminate the Compact. And the best news: This E.O. predates any anticipated "ratification" by Congress of the Compact.
