

American Policy Center

Dear Friend of American Policy Center:

For 28 years, I have led the national and international opposition to the U.N.'s Marxist Agenda 21 program.

The quote on the outside of the envelope describing our efforts to stop the U.N.'s Agenda 21 is from leftist UK Guardian's Australian Bureau.

And our efforts to stop Agenda 21 have been featured in America ... on Fox News, the New York Times, and the Washington Post.

I could never do the things we have done to alert citizens of this country -- and even the world -- about the dangers of the U.N.'s Agenda 21 without your help.

But WITH YOUR HELP, American Policy Center has been able to let Americans know that the U.N.'s Agenda 21 scheme is trying to eliminate:

- Grazing of livestock
- Paved roads
- Power Line construction
- Building fences
- Modern farming

The U.N. wants to take us back to the stone age!

Leftist Presidents Clinton and Obama signed Executive Orders designed to implement this dangerous U.N. Agenda 21 scheme which would destroy America as we know it.

Bill Clinton signed Executive Order 12852 and Barack Obama signed orders 13547 and 13575 to advance the U.N.'s Agenda 21 scheme in America.

President Trump reversed many of these pro-U.N. Agenda 21 Executive Orders while in office.

BUT JOE BIDEN PLANS TO BRING THEM ALL BACK AND IMPOSE THE UNCONSTITUTIONAL AND SOCIALIST AGENDA 21 SCHEME ON ALL OF US!!!

That would be a devastating blow to our freedom in America.

In fact, I doubt we would ever recover from it as a nation.

But we still have one hope: The U.S. Supreme Court.

After President Trump was able to add three new conservative Justices to the Supreme Court, I believe we have a majority who will be able to STRIKE DOWN this unconstitutional U.N. Agenda 21 scheme.

But the Supreme Court is going to need your strong backing to act to strike down these unconstitutional U.N. Agenda 21 Executive Orders.

That's why I'm asking you to please sign and return the enclosed "Repeal Agenda 21" Petition to the U.S. Supreme Court.

Your "Repeal Agenda 21" Petition will give the U.S. Supreme Court Justices the backing they need to act against this dangerous and unconstitutional U.N. Agenda 21 scheme.

I worked very hard with several members of the Trump Administration to get them to take action against this dangerous U.N. Agenda 21 program.

On your behalf, I had personally participated in conference call meetings and provided Agenda 21 briefing materials to White House policy experts in the Trump Administration.

And we succeeded! President Trump took action.

But now I fear that Joe Biden -- with a haughty stroke of a pen -- will impose this dangerous and unconstitutional U.N. Agenda 21 scheme on America once again!

That's why your "Repeal Agenda 21" Petition for the U.S. Supreme Court is so important.

We can't go to the White House for help anymore.

I fear that Congress won't act with leftist Nancy Pelosi running the show.

We only have one branch of government to save us ...

But the good news is that branch has three new Justices appointed by President Trump. **SO WE HAVE A FIGHTING CHANCE TO WIN!**

I really believe that if we can collect enough "Repeal Agenda 21" Petitions that we can convince the Supreme Court to strike down this unconstitutional U.N. Agenda 21 scheme!

President Trump ran on a platform that publicly declared:

"WE STRONGLY REJECT THE UN AGENDA 21 AS EROSIIVE OF AMERICAN SOVEREIGNTY."

And President Trump also knows that the United Nations is no friend of America. President Trump said flat out -- "The United Nations is not a friend of democracy, it's not a friend to freedom, it's not a friend even to the United States of America."

So, President Trump clearly understand the threat to America posed by the hate-America United Nations.

Now we must hope that his Supreme Court Justices understand that threat as well, and will act to stop it!

Your "Repeal Agenda 21" Petition is urgently needed to press the U.S. Supreme Court to act RIGHT NOW to strike down this unconstitutional U.N. Agenda 21 scheme.

So please rush me your signed "Repeal Agenda 21" Petition today.

And when you do, would you please consider including an urgently needed donation of \$25, \$50, \$100, \$250 or even \$500 to support the vital work of American Policy Center?

The truth is, I don't need billions of dollars to stop the United Nations. I just need a strong, steady, reliable source of funds. Truth costs less that lies!

I'm not one to give up. I refuse to yield another single inch of American freedom to these monsters. I will not let these Marxists take over another city or town and destroy the future of our country.

But how do I get the financial firepower I need to accomplish that? I've spent a lot of time thinking and planning a way to win. Where can I get the funds?

And then I said to myself: "I know there are Americans out there who still care about our nation."

People who really understand the threat that the U.N.'s Agenda 21 scheme poses to this country.

You are one of the people who understand that the U.N.'s Agenda 21 plan restructures U.S. towns and cities in its own socialist image.

- Agenda 21 is a violation of our US constitution.
- Agenda 21 steals private property.
- Agenda 21 destroys free market economy.
- Agenda 21 even targets our churches.

Right now, we have a once in a lifetime chance to deal a NATIONAL blow to the U.N.'s radical takeover plan called Agenda 21.

WE CAN CONVINCe THE SUPREME COURT TO STRIKE DOWN THESE UNCONSTITUTIONAL EXECUTIVE ORDERS!

But it simply cannot happen without your help.

So please sign your "Repeal Agenda 21" Petition to the U.S. Supreme Court and return it today.

And please help support American Policy Center with a check of \$25, \$50, \$100, \$250 or even \$500.

Thank you in advance for your support.

Sincerely,

A handwritten signature in cursive script that reads "Tom DeWeese".

Tom DeWeese, President

P.S. American Policy Center needs YOUR "Repeal Agenda 21" Petition to convince the Supreme Court Justices to override these leftists and STRIKE DOWN this unconstitutional U.N. threat to our freedom once and for all! I really hope to have your petition back in the next ten days. And I desperately need your financial support to win the battle at the U.S. Supreme Court and end Agenda 21 once and for all.
