Subject: Mike Lindell Election Summit August 16 & 17, 2023 Release of Findings on American Election Corruption in Each State and Many Counties of the 3143 Total.

Below is my brief summary of the long awaited findings of Mike Lindell's team of lawyers, engineers and computer/cyber experts.

- Mike borrowed \$1,000,000 to put on this event and he choked up when he stated this.
- I count 29 videos in three categories below ranging from a few minutes to over an hour, most are only a few minutes.
- How to take in all this data is up to you however, I scan all the titles first some 29 to get a feel of the findings.
- Then I start picking thru the findings as my interest guides.
- Every state election system is corrupted and anyone who does not understand this is in denial.
- Mike Lindell is spending millions to discover and prove how the elections systems are fixed and sharing this message worldwide.
- After you view these 29 and growing videos link to **OTHER - ACTION YOU CAN TAKE at the bottom of this email and take action in your state.**
- The State (Globalist, Fed, State, and Municipal) are not going to change itself by its very nature until each patriot and Citizen of the State takes action and orchestrates the change.
- The tail thinks it is the dog until we reprogram it back to reality.
- Can you change your religion, your IQ, your habits, your basic character without a Near Death Experience and even then?
- The government and NGO's are the same way, they have become inbred from the beginning, and change would require a near death experience not unlike individual change.

- Mike Lindell says this is God's plan and time line, i.e. we could not have made serious change before as we needed more time for discovery and proof of what happen to wake up a critical mass of Americans.
- We must return to paper ballots!

God Bless America and the Great Awakening,

Jack
