

[Link here to watch](#) the first 34 minutes or so of a 2 hour discussion by an ex Professor Brett Weinstein who was kicked out of one of Washington State's most liberal & most loose standards Evergreen State College. The best college to get kicked out of in the USA! Professor Weinstein has been interviewed on www.infowars.com by Alex Jones.

The following are my 7 pages of hand write notes boiled down plus added findings.

Jack Notes from Trojan Migration Discussion

1) There are two groups of migrants.

a. Group 1 is fleeing for a better life, i.e. economic migrants.

- i. Group 1 is on the average 3 generations of families traveling together.
- ii. Their age ranges up to 60 to 70 years old max.
- iii. They are open to being interviewed and pictures and are mostly friendly.
- iv. Most of this group are attacked, robbed & separated in the Darien Gap.

b. Group 2 is mostly Chinese males who come in a different route.

- i. Group 2 is most males maybe ratio is 4 or 5 to one female.
- ii. They boat into Panama and are better camped.
- iii. These are mostly young men, unfriendly, no children, closed off, won't talk.
- iv. Protected by guards and fence in camps with better building materials.
- v. IOM - Intl Org. for Migration UN run and not allowed in and a line of very nice buses.
- vi. \$ allowed them to skip the worst of the journey.
- vii. Using horses instead of walking.
- viii. Ex Professor Weinstein said he felt they viewed US dimly& asked.
- ix. **"Did China seed this thru an international agency like the UN?"**

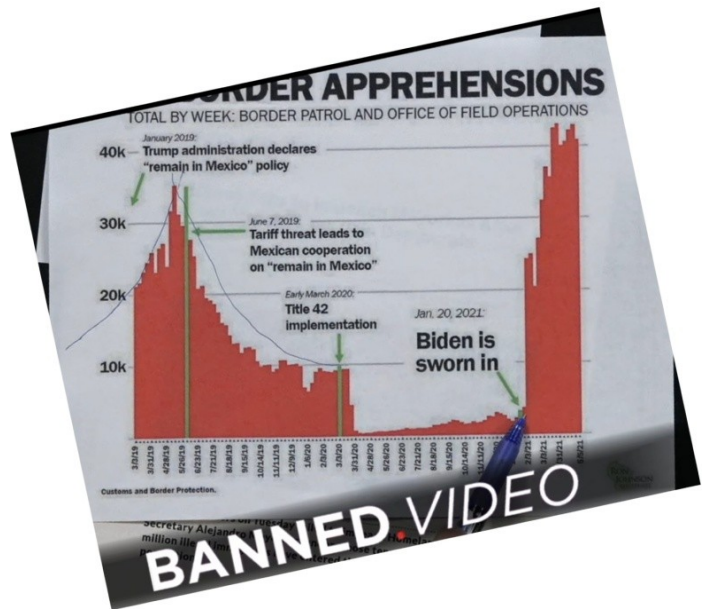

2) **Here is the answer.** This is a video with my notes. The UN is definitely assisting this illegal mass migration from Ecuador. [Here is a 40 minute video of a reporter Shelley Lustman who personally followed the migration trail.](#) His site is <https://www.muckraker.com/>. **Bookmark his site for later read. He says there are nearly a quarter million illegal aliens are entering the US every month that follow the same mass migration trail from Quito Ecuador to our US southern border. He found secret Chinese staging hotels. The Chinese are the most well funded. Organized and sophisticated with established networks of all the migrants. This is a weaponized UN (IOM/OIM = Intl. Org. of Migration) migration agenda masquerading as an organic crisis.** Dozens of government

and NGO's including the Red Cross offer aid and instructions how to navigate the trail in towns along the way. This agenda directly benefits CARTELS AND HUMAN SMUGGLERS. The Darien Gap jungle takes up to 5 days to trek thru.

- 3) There is a faster route thru the Darien Gap which takes 2 days and this route is preferred by wealthier migrants and is guided and more protected.
- 4) "Joe Biden is a nice guy because he opened the border to all countries" India migrant.
- 5) www.hias.org is a Jewish refugee agency which supports illegal migration in the US, Mexico, NW South America, England, Europe, parts of Africa. Their presence was frequent along the migration route. They brag on their web site to have resettled 6, 627 people in new communities across the US in 2022 fiscal year. This map shows some 2 dozen "resettlement partner agencies in these cities".
<https://hias.org/resettlement-partners/>
- 6) Trains intentionally stop so immigrants with cartel help can climb up on top and ride.
- 7) Shelley Lustman and his brother were then kidnapped by the Mexican cartel just south of US border and later released at a US Port after having their cam equipment smashed.
- 8) [Migration and the 2030 Agenda](#) - He shows this book on video, must read "Forward" Intro page,
 - a. ***"Rather, with the SDGs, migration is an important contributor to sustainable development. The International Organization for Migration is, in consequence, a significant actor in the implementation of migration-related SDG = (Sustainable Development Goal) objectives.***
 - b. ***Jack Note" of course it is the best way to break independent sovereign nations like USA into one world government controlled puppets!***
- 9) All of migration supports the Biden regime and his open border policy.
- 10) [Replacement Migration Paper](#) UN proposed mass migration to replace aging population, look at Scenario #5 suggested.
- 11) www.Muckerraker.com/donate .

My notes RESUME from Trojan Migration Professor Brett Weinstein Experience.

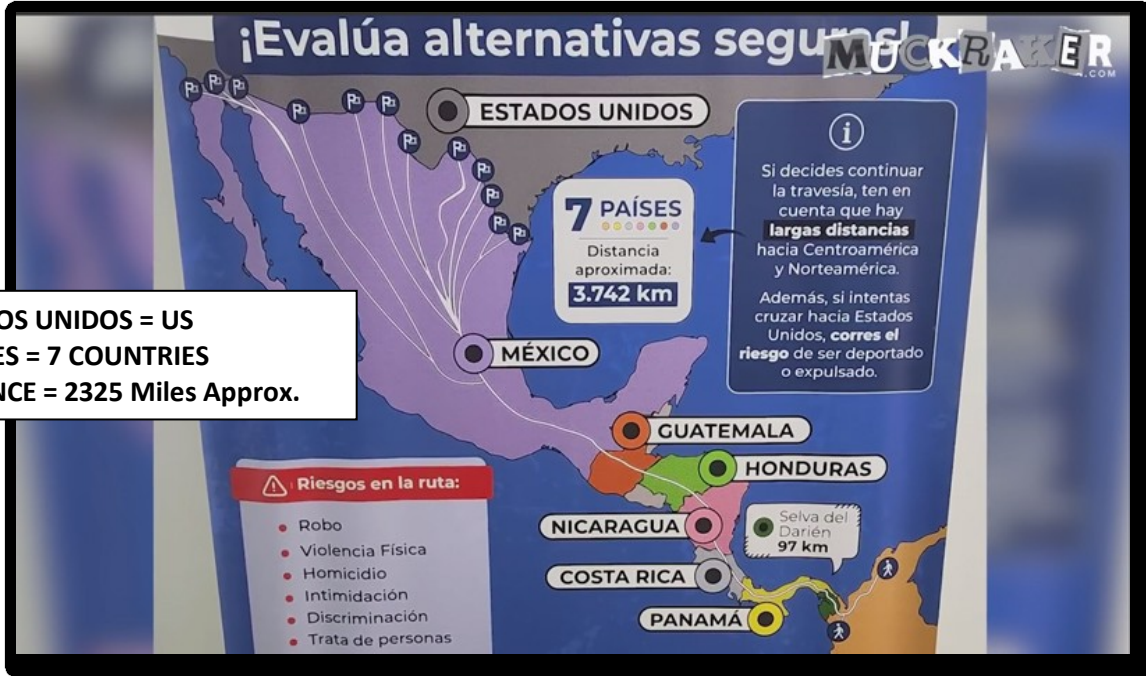

- 12) There are 3 camps in Panama, one camp primarily for Chinese with the other two camps primarily for economic migrants with some isolated sections for Chinese.
- 13) Darien gap is a live jungle very bad, deadly snakes, mud, high pathogen environment, hot, humid, and easy to get sick and get serious infection however worst danger is tree fall from wind storms according to the two virologist professors discussing this subject.
- 14) Most of the economic migrants get robbed going thru the Darien Gap by either the natives of the jungle or the other travelers.
- 15) The following discussion turned to Professor Hypothesis that the larger migrant group of economic migrant families IS being used as a cover for the more well off single Chinese to get into the US.
- 16) Long discussion of the pros and cons regarding the effect of the Chinese one child policy from 1980 to 2015. Their take is that this 30 some year China policy created more males which are more preferred over females in China. So you have more males than females and males being able to create many more offspring than females however, this phenomenon eventually neutralizes itself.
- 17) The female has the ability to marry up because she is in more demand.
- 18) [There are 31 million more males than females in China.](#) And this difference seems to be consistent going back in time at least to 2013 on this graph.
- 19) [You can see this problem being discussed by all the liberal media with a global search.](#)
- 20) [At the same time China's overall population is declining, fertility level is below what is required to keep population current size, number of births hits decades low last year, having children is very expensive and career changing, good education is only found in the city and not everyone can live in the city, without good education you cannot get a good job, etc.](#)

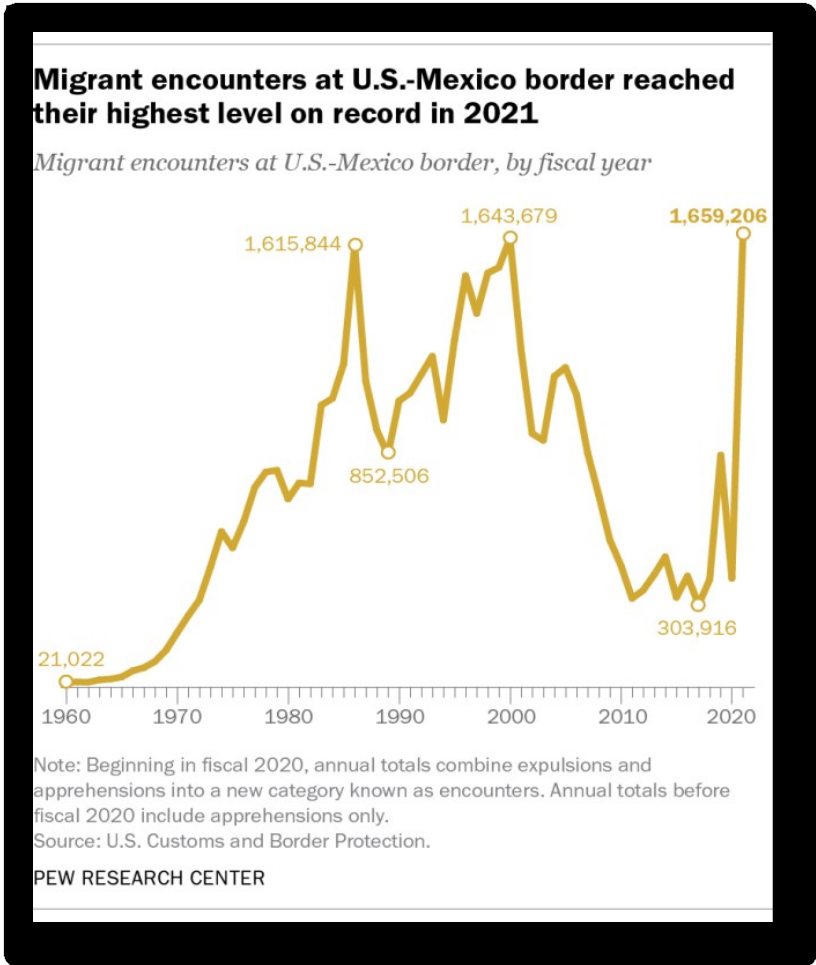

- 21) Ex Professor Weinstein believes many young men then go into the military and this creates a surplus military force for China and an opportunity to invade neighboring states with their excess males who are being moved in bulk thru open borders including the USA.
- 22) "When we were kids," there was an influx of Central Americans who were in general hard working and non threatening taking the jobs we did not want.
- 23) However, our current economy does not mirror that when we were kids.
- 24) The sheer number of illegal aliens is so large it will be highly disruptive.
- 25) It appears someone has plans to us them, i.e. the illegal young Chinese men.
- 26) And if so this is a threat to the U.S. Citizens.
- 27) This is a mass migration of desperate people.
- 28) The one child China policy has created an increase in standing men army.
- 29) Another alternate reason could be that China has given a "wink" to allow its young men to leave China to help lower its over male ratio and give those who do not or cannot work in a totalitarian society another chance, e.g. "win win."
- 30) There is a rapid declining work force and an increase of retirees in China.

31) From the US Border Patrol site SW LAND BORDER - I ran a check on illegal aliens fleeing from the following countries, left to right order 2024 to 2021 all types - family, singles, children by country of origin.

	2024	2023	2022	2021
• China	18,755	24,314	2,176	450
• Mexico	256,769	717,333	808,339	655,594
• Equator =	50,712	116,229	24,060	96,150
• Columbia =	54,879	159,530	125,172	6,202
• El Salvador =	24,398	61,515	97,030	98,690
• Guatemala=	105,763	220,085	231,565	283,085
• Honduras=	70,531	213,686	213,023	319,324
• Nicaragua=	20,812	99,496	164,876	50,109
• Costa Rica=	0	0	0	0 Not reported.
• Panama =	0	0	0	0 Not reported.
• Venezuela=	144,368	266,071	187,716	48,678
• Brazil=	9809	27,687	53,457	56,881
• Russians=	16,751	70,897	75,220	60,984
• CANADA=	6,984	43,310	23,876	4,179
➤ TOTAL	961,537	2,475,669	2,378,944	1,734,686
➤ 4 YEAR TOTAL =	7,550,836 + ALL OTHERS FROM US NORTH BORDER & PORTS.			

ESTADOS UNIDOS = US
7 PAISES = 7 COUNTRIES
DISTANCE = 2325 Miles Approx.

I could not find all the annual numbers going back to 1960 so could not graph the complete official data. Adding the data above to this chart you can see our SW USA Mexican border has become much worse - going to 2.38 million in 2022 Then to 2.48 million in 2023 Then to 0.96 million from fiscal year Oct 2023 to Jan 2024. **If fiscal year 2024 continues at this rate it will be 2.88 million** **The highest in recorded history.**

32) Jack's Hypothesis

- i. We cannot assimilate these massive swarms of illegal's this is certainly destroying our Republic AND THAT IS THE INTENTION OF THE CURRENT PLAN via the "golden elite" who fund & control the UN.
- ii. We have upward of 9 million illegal aliens being inventoried into settlement camps all over the US and bused to large US cities.
- iii. Reports are coming in that neighboring American towns are not aware of these camps.
- iv. **China is buying up land in the U.S. near military bases.**
- v. Here is a retired Air Force general warning on the illegal Chinese young men coming in - <https://www.infowars.com/posts/u-s-general-sounds-alarm-on-chinese-border-crossers-they-are-coming-here-to-kill-us/> .
- vi. **My hypothesis is the illegal aliens not only find it much easier to get into the U.S.A. illegally than legally they are encouraged and supported along the invasion trail.**
- vii. **The current LEGAL process to enter the USA takes years as the immigration agencies are overwhelmed. [Link this article.](#)**
- viii. **The Biden Administration has intentionally opened the borders since day 1 and closed the legal process by overwhelming it. This supports the UN Migration & the 2030 Agenda PLUS the Replacement Migration Paper. Biden is a puppet for Soros who is a puppet for the "golden elite". NOTHING IS AS YOU WERE TAUGHT AND UNDERSTAND.**
- ix. Here is one small example. I have a business friend who has a wealthy friend who is trying to get his sweetheart from the Philippines into the USA with little success or said another way the current US immigration process is so overwhelmed it discourages legal entry.
- x. **This article above reports there are 9 million people awaiting green cards and the wait times have skyrocketed from a few months to years possibly decades. In 1991 only 3% of preferred immigrants seeking visas thru family members already in the US who had to wait more than 10 years. By 2018, 27% of the applicants were waiting more than 10 years.**
- xi. **ONE HAS TO COMPREHEND THE BIG PICTURE TO BELIEVE THE TRUTH UNDER OUR NOSE.**
 - 1) The US Military Industrial complex funds trillions into foreign wars and black projects creating more wars for THEIR profit and power not for the protection of America.
 - 2) ALL WHILE we go into exponential debt debasing the constitutional hard precious coin and currency to current currency and coin of FOREIGN debt,
 - 3) With trending attempts to further debase debt based currency into CBDC,
 - 4) Collapsing our borders AND our election systems,
 - 5) Drastically increasing direct taxes on our wages and private property,
 - 6) Weaponizing muni, state & federal serial agencies,
 - 7) Poisoning our courts to become so left biased they make innocent U.S. Citizens criminals while releasing crooks to the street,
 - 8) Allowing the MSM to become a monopoly of lies,
 - 9) Allowing the sellout of Hollywood to China,
 - 10) Allowing academia and our educational system to become debased from American values, Christian morals, common sense core studies,

- 11) Allowing American corporations to export critical manufacturing,
- 12) Shutting down mining of our own oil, gas and minerals, collapsing our most stable & natural sources of electrical power, hydro, oil, gas, coal.

- 13) U.S. government is engaging with and encouraging Mexican criminal cartels to move their narcotics into America across all borders and ports while taking a pay for play share to lauder this filthy blood money into the southern American states to pay off the muni, state & federal officials,

- 14) This criminal behavior is further encouraged if not controlled by international "golden elites" super rich groups influencing first world countries election through their own Intel agencies plus destabilizes other countries to expand their profit and power.

- 15) "Soros is a CIA operative per Alex Jones, www.infowars.com." In an Alex Jones interview he was told the globalists are handing out packets of information to key government actors promising full backing with orders of what they want gvt. Officials to do... They are given these packs of information (orders) at high end gatherings and hotels in return for lots of dirty money."These are the thoroughbreds of trash." There are bunch of groups." Quoted from Alex Jones today 2-18-2024 at 3:30PM MST.

- 16) This is 5th generation warfare as General Flynn describes in his book, [The Citizen Guide to Fifth Generation Warfare](#). Fifth generation warfare is defined as an overlap of hybrid, irregular, and unrestricted warfare.

- 17) Add to this long list that Presidential candidate John McCain AND Barack Obama were not eligible to run for the President of the US. McCain was a US Citizen but not a natural born citizen as he was born on a military installation in Panama, both his parents were Americans. Obama was self confessed foreign born in Kenya. Obama is wizard behind the Biden puppet. Can't believe this, [Link here](#).

- 18) [General Eisenhower was a military genius & honest President who got us out of debt and warned us January 17, 1961 - "This conjunction of an immense military establishment and a large arms industry is new in the American experience. . . .Yet we must not fail to comprehend its grave implications." He used the word "military" 15 times in his farewell speech plus he used "industrial" 6 times, the combo 4 times. Do you get it yet?](#)**

- 19) [All states need to circle their wagons and close down their respective ports and borders to illegal aliens.](#)**

- 20) [Texas Secures Its Southern Border In Direct Opposition To The Illegitimate Federal Government & The Captured SCOTUS](#). **We will see how true this becomes; the governor is a member of WEF, he refuses to drop his membership at \$25,000 annually, Texas Citizens pay his way.**
